Burning Bones Miren Agur Meabe, 2022-08-11 WINNER OF THE TRANSLATION PRIZE LABORAL KUTXA ETXEPARE 2023 Miren Agur Meabe's poetic language shades and heightens the pulse of her writing adding sensuality to the wound she writes of Her way of looking elevates her raw sincere voice to higher ground Harkaitz Cano Miren Agur Meabe writes with about quiet worlds with tenderness and attention to detail in a very sensual almost synaesthetic way Anna Blasiak The Spanish Riveter a riveting and immersive read Rhianon Holley Buzz In a series of short poetic narratives Burning Bones finds the writer on a remarkable journey of imagination discovery and emotion We watch the gardener gather kindling to prepare a bonfire So many branches I tell Gwen They look like a pile of bones I have a feeling that's what I'm doing too carrying a bundle of bones from place to place And I don't just mean the bones in my body From a flooded river stranding a dolphin on a sandbank to a sailor afraid to venture onto land while a first kiss is cut tragically short Meabe plays with the expectations and form of stories while offering a rhapsody of reflection and reinvention Expertly translated into English by Amaia Gabantxo arguably the most prestigious contemporary Basque to English translator Burning Bones is a companion piece to Miren Agur Meabe's *A Glass Eye* a collection of short stories that complement the universe of Meabe's novel about absence as an engine for creation about what we make out of the things we lose her eye in the author's case or love or the innocence of youth

Painting Beauty with the Ashes Isaiah Barber, 2016-06 In life we'll go through suffering and sorrow We did not choose to be born and thus we're tossed into this world I am certain there is such a thing as justice However justice in the hands of imperfect beings is not just We made this world what it is and we as people do all we could which is our utmost best to do right Unfortunately doing right is usually far from our grasp Pain comes like a thief in night taking away our innocence The world spins out of control people pitted against each other and those whose hearts are soft and gentle they suffer most of all The anguish and misery soaks our heart and sinks into our veins We become troubled burdened beyond belief and feel we are to blame To be Continued *Retribution* Anne Marie Erskine, 2021-10-15 *Retribution* By Anne Marie Erskine *Retribution* focuses on the lives of six female bullies the harm they cause and the ironic twist they themselves create for their demise While the subject of the novel itself is serious bullying the characters and their deserved endings are in many ways exaggerated dark comedies that will surprise and delight the reader especially those readers who have suffered from the torment of a bully *Retribution* presumes that all choices have consequences that innocents must be protected at all costs that people have the power the right and the duty to stand up for and protect innocents no matter the cost The hero Gemini Jones is a sensitive but strong and resolute character who shows how to help Justice deliver its rightful reckoning She is a role model for all heroes who desire to bring good and light to the world *Retribution* is a novel of hope and satisfaction for those who have been bullied and know that evil must be punished and defeated It is a novel for all who believe in Justice and want to see it prevail In the end Justice always reigns when GOOD fights for it *Ash Utilization* ,1973 Central America's

Forgotten History Aviva Chomsky, 2021-04-20 Restores the region's fraught history of repression and resistance to popular consciousness and connects the United States interventions and influence to the influx of refugees seeking asylum today At the center of the current immigration debate are migrants from Central America fleeing poverty corruption and violence in search of refuge in the United States In *Central America's Forgotten History* Aviva Chomsky answers the urgent question How did we get here Centering the centuries long intertwined histories of US expansion and Indigenous and Central American struggles against inequality and oppression Chomsky highlights the pernicious cycle of colonial and neocolonial development policies that promote cultures of violence and forgetting without any accountability or restorative reparations Focusing on the valiant struggles for social and economic justice in Guatemala Nicaragua El Salvador and Honduras Chomsky restores these vivid and gripping events to popular consciousness Tracing the roots of displacement and migration in Central America to the Spanish conquest and bringing us to the present day she concludes that the more immediate roots of migration from El Salvador Guatemala and Honduras lie in the wars and in the US interventions of the 1980s and the peace accords of the 1990s that set the stage for neoliberalism in Central America Chomsky also examines how and why histories and memories are suppressed and the impact of losing historical memory Only by erasing history can we claim that Central American countries created their own poverty and violence while the United States enjoyment and profit from their bananas coffee mining clothing and export of arms are simply unrelated curiosities

to escape the mountain but is caught and becomes horrified witness to the terrible brutality of the clans patriarch Then she and Zachary Thomas are thrown together during a long terrible winter Eli a natural mimic and gifted pretender enters Skyland a famous mountain summer resort to sell moonshine to its colorful owner He falls madly in love with Annabel the beautiful daughter of a reverend who he saves from being struck by a rattlesnake He later moves to Washington to become a partner in a distillery and be close to Annabel even though she is engaged to an aide to vice president Theodore Roosevelt Eli becomes wealthy and successful his own influence even extending to the White House After Prohibition is enacted Reverend Cotterall becomes the countrys leading Prohibitionist and is determined to keep his daughter away from Eli whom he loathes The story comes to a dramatic climax when devastating secrets are revealed Scarlett Holmes, Sister of Sherlock - Contrarian L Charles Stribling,2022-10-31 Fifty short stories featuring Sherlock Holmes older sister Scarlett Scarlett Holmes is two years or so older than her sibling Sherlock They fell out in childhood and abraded one another in later life John Watson met her and found her captivating but prickly Scarlett took her degrees in archaeology a subject that was finding new ground She became an academic at Cambridge in the recently founded women s college Newnham Archaeology was not regarded as a serious subject and so was available to young women whereas medicine and mathematics continued as the preserve of men Despite the single subject of her degree she was a polymath and fulminated at the lack of appreciation of her other talents Perhaps her steely attitude to the besotted John Watson was part of her rejection of his admiration of her as a woman rather than as an academic One can suppose that he as a doctor and what is more one who had served with the army overseas settled him in the expectation that it was he who should be admired Despite all Scarlett takes John along with her to assist in her tasks he facilitates her entry into places where she could not otherwise go *From Monk to Modernity, Second Edition* Dominic Kirkham,2019-01-08 After spending many years in a religious order Dominic Kirkham describes how he was driven to meet the challenge of modern thinking an exercise that has proved both freeing and frightening He says this has been something of a personal odyssey which now spans a lifetime of over six decades and is still ongoing He adds that the presumption of the book is that this is of more than personal interest because the subject matter affects everyone my personal journey will no doubt reflect that of many others In a broad sweep from Neolithic times to the twenty first century he considers our human quest for meaning and a good life and how we can engage in it today *Ash* Joel Thomas Feldman,2020-10-13 IT S ONLY MAKE BELIEVE IF YOU DON T BELIEVE Journeys of the Immortal begins in Ash which follow the travels of Sam a twelve year old girl who is having to grow up faster than she should as she comes face to face with legendary creatures once thought to be only myths Sam quickly learns that magic is not just for other realms but is a reality on Earth as well Their first trip since her mother died 18 months earlier Sam is reclusive and uninterested in her dad s work Jack a Bigfoot expert drags his disbelieving daughter on a field expedition to the Arizona forest accompanied by his best friend Charlie an alien hunter and his three sons Chris Tommy and Eli Sam soon discovers a cave containing a nest of
