distance between herself and the hunky Regency hero of her novels Alexandre Blake the Viscount Saint Just who has miraculously come to life with talk of sweeping her straight down the aisle But now that her parents have split up Maggie is having trouble resisting Alex's tender loving care So she invites him along to visit her family Unfortunately they arrive just in time to watch her father being taken away in handcuffs as a murder suspect Luckily she has Alex riding to the rescue and making her wonder if a happily ever after might not be out of her league after all Part fantasy part romance and part good old fashioned mystery this book has it all **Romantic Times**
