Gershon Shafir

Berl The Biography Of A Socialist Zionist Berl Katznelson 1887 1944:

Berl: The Biography of a Socialist Zionist, Berl Katznelson 1887-1944 Anita Shapira, 2023-05-06 A youthful breakaway from the traditional Jewish society of White Russia Berl Katznelson 1887 1944 emigrated to Palestine in 1909 during the pioneering spasm of socialist Zionism known as the second aliyah In the interwar period he helped David Ben Gurion and Yitzhak Tabenkin to establish several of Israel's enduring Labour party frameworks and trade union institutions and thus to bring about socialist Zionism's early hegemony Wherein lay the source of Katznelson's immense authority What was his particular contribution to the development of the culture and mores of the developing Jewish society of his times Anita Shapira's achievement lies both in her subtle presentation of these questions and in her temperate search for the answers This richly evocative biography will allow social historians throughout the Western world to appraise a figure who is now becoming justly revered in his own country The American Historical Review Anita Shapira's book was something of a best seller when it first appeared in Hebrew in 1980 and it is not difficult to understand the reason Dr Shapira recounts Katznelson's life in the context of the fluctuating Arab Jewish relationship and the waverings of mandatory policy the whole dominated increasingly by the deteriorating Jewish position in Europe That is what makes this book more than a biography it is also a contribution to the history of Israel in its formative stage The present English edition remains an essential work for the understanding of Zionist and Israeli history The English Historical Review It is to the credit of Anita Shapira that she has single handedly rescued Berl Katznelson from oblivion When her book was first published in Hebrew it immediately became a best seller and its author the focus of a great deal of media attention For good reasons The book obviously touched a nostalgic nerve in the general public perhaps a longing for a lost generation of giant idealists But it could do so though this was hardly the author's intention because it portrayed an unidealized very human and therefore very real man It is rare to find an historian Professor Shapira's caliber who also has the talents of a novelist Throughout the book one feels the sure hand of the historian guiding the reader examining with him the subject of the book from a few angles employing a variety of techniques and sources primarily archival until a fully rounded personality emerges this volume is a well rounded sympathetic yet by no means uncritical analysis of one of the most fascinating figures in Jewish life in the twentieth century Middle Eastern Studies T he first full scholarly life of one of Israel's founding fathers The portrait which emerges here is of an attractive leader whose personality inspired a degree of respect and devotion bordering worship The author admits the difficulty in pinpointing the sources of Katznelson's magnetism but she demonstrates how it infused the varied facets of his socialist politics which he took to be as much a moral as an organizational calling In effect his greatness was in his personification of the conscience of the Jewish labour movement in its formative phase in the interwar years History This book is an abridged version of a two volume work in Hebrew published in 1980 It covers Katznelson's personal life and political activities in attempting to answer the riddle of his special leadership powers and can serve as an introduction to the

study of Labor Zionism in Palestine between 1914 and 1944 this book makes a contribution to discovering the roots of today's conflicts Middle East Journal

Agnon's Story Avner Falk, 2018-10-22 Agnon's Story is the first complete psychoanalytic biography of the Nobel Prize winning Hebrew writer S Y Agnon It investigates the hidden links between his stories and his biography Agnon was deeply ambivalent about the most important emotional objects of his life in particular his father teacher his ailing depressive and symbiotic mother his emotionally fragile wife whom he named after her and his adopted home land of Israel Yet he maintained an incredible emotional resiliency and ability to sublimate his emotional pain into works of art This biography seeks to investigate the emotional character of his literary canon his ambivalence to his family and the underlying narcissistic grandiosity of his famous modesty

Vladimir Jabotinsky's Russian Years, 1900-1925 Brian J. Horowitz, 2020-05-05 This scholarly biography focuses on the early years of the influential Russian Jewish author and pioneer of Revisionist Zionism In the first decades of the twentieth century Russia was a place of intense social strife and political struggle Vladimir Yevgenyevich Ze'ev Jabotinsky who would go on to become the founder of the Revisionist Zionism Alliance in 1925 was already a Zionist leader and Jewish public intellectual Although previously glossed over these early years were crucial to Jabotinsky's development as a thinker politician and Zionist In this enlightening biography Brian Horowitz focuses on Jabotinsky's commitments to Zionism and Palestine as he embraced radicalism and fought against the suffering brought upon Jews through pogroms poverty and victimization Horowitz also defends Jabotinsky against accusations that he was too ambitious a fascist and a militarist As Horowitz delves into the years that shaped Jabotinsky's social political and cultural orientation an intriguing psychological portrait emerges

Nazism, the Jews and American Zionism, 1933-1988 Aaron Berman, 1992 An investigation of the response of American Jews to Nazism and the extermination of European Jewry The demand for Jewish statehood politicized the rescue issue and made it impossible to appeal for American aid on purely humanitarian grounds Berman tries to understand the constraints within which American Jews operated Annotation copyrighted by Book News Inc Portland OR

Three Days: An account of the last days of the British Mandate and the birth of Israel Zeev Sharef, 2023-07-13 Sharef has set down in meticulous almost microscopic detail the events of May 12 13 and 14 1948 in the Arab capitals in Washington at the UN but mostly in Palestine itself where the populace both Jewish and Arab lived in a state of almost continual excitement tension and suspense Mr Sharef is writing history as he witnessed it Three Days recreates much of the excitement and turbulence of those stirring days Calgary Herald Many volumes have been published recounting the events which led to the establishment of the State of Israel but none matches in intensity Zeev Sharef's detailed account of the last three days of the British Mandate Mr Sharef traces in vivid and explicit detail the difficult situations which confronted the Jews in the last three days of the Mandate He has succeeded too and this is the book's ultimate virtue in capturing the mood and the emotion of the moment Congress Bi Weekly One of the best books anywhere about the lead up to Israel's independence The Jerusalem Post Three Days reflects the mood of hope and despair during the trials which beset the Jewish community in Palestine on the eve of the termination of the British Mandate the book is remarkable The Jerusalem Post The detailed progression of the seventy-two hours reads like fiction of the most fascinating kind the book generates its own excited momentum Jewish Floridian

Land, Labor and the Origins of the Israeli-Palestinian Conflict, 1882-1914 Gershon Shafir, 1996-08-19 A groundbreaking analysis of the dynamics of Jewish-Arab relations Roger Owen author of *The Middle East in the World Economy 1800-1914* Very rarely does a scholar set out to do or accomplish as much as has Gershon Shafir in this splendid book about the origins of the Yishuv Ian Lustick President of the Israel Studies Association

The Scholems Jay Howard Geller, 2019-03-15 The evocative and riveting stories of four brothers Gershom the Zionist Werner the Communist Reinhold the nationalist and Erich the liberal weave together in *The Scholems* a biography of an eminent middle-class Jewish Berlin family and a social history of the Jews in Germany in the decades leading up to World War II Across four generations Jay Howard Geller illuminates the transformation of traditional Jews into modern German citizens the challenges they faced and the ways that they shaped the German Jewish century beginning with Prussia's emancipation of the Jews in 1812 and ending with exclusion and disenfranchisement under the Nazis Focusing on the renowned philosopher and Kabbalah scholar Gershom Scholem and his family their story beautifully draws out the rise and fall of bourgeois life in the unique subculture that was Jewish Berlin Geller portrays the family within a much larger context of economic advancement the adoption of German culture and debates on Jewish identity struggles for integration into society and varying political choices during the German Empire World War I the Weimar Republic and the Nazi era What Geller discovers and unveils for the reader is a fascinating portal through which to view the experience of the Jewish middle class in Germany My

Father's House Yigal Allon, 2023-07-08 In this intimate memoir Yigal Allon shares recollections of his father a proud pioneer farmer in Kfar Tavor in the 1920s 30s who retired in Ginosar the kibbutz co founded by his son Yigal and how his father's personality and life in Jewish settlements in the Galilee before the establishment of the State of Israel shaped his own life The father thought to name the son Yigael which means He will be redeemed but decided that was too passive a name and chose instead Yigal which means He will redeem The Russian Jewish farmer's son became a watchman a British policeman member of a kibbutz a leader of the ragtag 1948 liberation war a scholar a major general and Israel's deputy prime minister and minister for foreign affairs This book Yigal Allon's act of homage to his father shows a public man turning inward He has no political argument to make unless the word of his father about Mount Tabor makes a declaration of intention about the land of Israel Maybe there are others more beautiful but none is just as beautiful a memoir both discreet and revealing by an important public man Herbert Gold The New York Times

Blind Jump: The Story of Shaike Dan Amos

Ettinger, 2023-12-26 Shaike Dan was one of thirty two Jews from Palestine who volunteered to parachute behind enemy lines in Romania on behalf of British Intelligence during World War II Some of them parachuted into Yugoslavia linked up with partisan forces and stole across frontiers with the help of local smugglers Many of these volunteers were caught and some of them never returned Shaike Dan decided on a blind jump so as not to depend on smugglers Ever since that first jump Shaike Dan's life has been a series of blind jumps Through the friends he made during the war who over the years became key figures in the security services of Eastern European countries he had access to the highest levels of those Communist regimes Thus began his remarkable career of rescuing Jews from behind the Iron Curtain and shipping weapons clandestinely to the new State of Israel This is the story of the amazing exploits of Shaike Dan who volunteered during World War II to parachute behind enemy lines in Romania on behalf of British Intelligence His jump had two objectives 1 to locate the prison camp where 1 400 Allied Air Force crewmen were being held and 2 to try rescuing Jews from Eastern Europe and getting them to Palestine With the publication of his life's story the curtain goes up on the astounding tale of a modern day Pimpernel Menorah Review In 1935 youthful Zionist Shaike Dan left his Romanian village for life on a Palestinian kibbutz Almost a decade later at British request he parachuted behind Nazi lines to rescue prisoners and facilitate the mass departure of East European Jews for the Promised Land Relying primarily on Dan's own words and recollections the author then turns to post war Israel where his subject's contacts chutzpah and organizational legerdemain became crucial in supplying the emerging nation with both population and weaponry Mark R Yerburch Library Journal

Spies in the Promised Land: Isser Harel and the Israeli Secret Service Michael Bar-Zohar, 2024-02-13 For 15 years the name of Isser Harel the man in charge of all the intelligence branches of Israel was top secret in Israel Even when he resigned from office in March 1963 his name and picture remained undisclosed Only in 1965 when he was appointed special adviser on intelligence and security to Prime Minister Levi Eshkol were his name and picture revealed But most of his past feats were

still kept secret even when stories about underground activities the capture of a spy or a mission abroad were disclosed Alan Dulles head of the CIA declared at the time the Israeli services are the best in the world For what operations did the Israeli services deserve such credit What was their modus operandi How had they been established and developed How did they conceive rules of ethics and morality These questions and many more are answered in this book which reveals the life story and operations of Isser Harel whom David Ben Gurion called the guardian of Israel s secrets and honor *Essential Papers on Jews and the Left* Ezra Mendelsohn,1997-06 *Essential Papers on Jews and the Left* presents a sweeping portrait of the defining impact of the left on modern Jewish politics and culture in Europe Palestine Israel and the New World The contributions in the first part entitled *The Jewish Left* discuss specifically Jewish radical organizations such as the Bund and Poale Zion The second section *Jews in the Left* explores the activities of Jews in general left wing politics emphasizing their role in the Russian revolutionary movement *The Making of Israel's Army* Yigal Allon,2024-07-03 Allon recounts the growth of the Israeli army from its inception in the 1880 s when Jewish communities in Palestine formed their first small self defence groups through the Haganah s clandestine period in the 1920 s and 30 s and the fighting after 1945 when army and state together achieved legality to the Sinai Campaign of 1956 and the Six Day War in June 1967 when the army reached maturity His precise economical narrative interspersed with brief passages of analysis is supplemented by extensive documentation which is especially interesting in the way it traces the development of attitudes and doctrine in the Israeli forces The work is a valuable contribution It tells us a great deal about the organization in its various stages that fought the wars and helps explain why these assumed the forms that they did and why they succeeded a study that is more than a history of a military organization *Middle Eastern Studies* Allon has contributed an extended essay concerned with the Israeli Government s military philosophy policy and strategy rather than an administrative and technical history half the book contains several important reports and policy statements not easily available in English describing military actions undertaken between 1941 and 1967 Allon was an important contributor to the development of the Israeli Defense Forces a rather breathtaking sweep in which hardly a word is wasted *The American Political Science Review* Allon seeks to explain in concise format the development of Israel s military doctrines of defense The author was former Palmach commander one of the architects of the IDF and a commander of various military units and on several battlefronts during Israel s War of Independence *Middle East Journal* The development of Israel s armed forces and military doctrine in the context of that country s unique strategic needs Especially interesting are the criticisms of some of the Israeli government s decisions taken just before and during the Six Day War *Foreign Affairs* An account authoritative in content modest in tone of the growth and character of the Israeli army by one of its principal creators and leaders *International Affairs* Allon gives a short historical and technical account of the evolution of an Israeli fighting capability over the past 70 years The exploits of this army are significant and should be analyzed No less interesting are the book s descriptions of individual actions by participants in the

first and second of Israel's wars The value of the book stems partly from a continuity of perspective on Israel's strategic problems from 1948 to August 1969 a useful book Military Affairs **The Question of Zion** Jacqueline Rose, 2007-02-05

Zionism was inspired as a movement one driven by the search for a homeland for the stateless and persecuted Jewish people Yet it trampled the rights of the Arabs in Palestine Today it has become so controversial that it defies understanding and trumps reasoned public debate So argues prominent British writer Jacqueline Rose who uses her political and psychoanalytic skills in this book to take an unprecedented look at Zionism one of the most powerful ideologies of modern times Rose enters the inner world of the movement and asks a new set of questions How did Zionism take shape as an identity And why does it seem so immutable Analyzing the messianic fervor of Zionism she argues that it colors Israel's most profound self image to this day Rose also explores the message of dissidents who while believing themselves the true Zionists warned at the outset against the dangers of statehood for the Jewish people She suggests that these dissidents were prescient in their recognition of the legitimate claims of the Palestinian Arabs In fact she writes their thinking holds the knowledge the Jewish state needs today in order to transform itself In perhaps the most provocative part of her analysis Rose proposes that the link between the Holocaust and the founding of the Jewish state so often used to justify Israel's policies needs to be rethought in terms of the shame felt by the first leaders of the nation toward their own European history For anyone concerned with the conflict in Israel Palestine this timely book offers a unique understanding of Zionism as an unavoidable psychic and historical force

Two Rothschilds and the Land of Israel Simon Schama, 2023-05-27 Simon Schama has re-examined the role of Baron Edmond de Rothschild 1845-1934 and his son James 1878-1957 in the Jewish settlement of Palestine He refutes Herzl's charge that the colonies were a rich man's pastime to while away what would otherwise have been idle hours by illustrating how Baron Edmond's immediate concern in 1882 for the sanctuary of Eastern European pogrom victims was by the turn of the century translated into a total commitment to the development of a self-supporting Jewish homeland and finally a state Along the way Schama maneuvers skillfully through the cluttered detail of budgets expenditures equipment crop experimentation with wine tobacco and perfume border disputes and administrative problems providing occasional vignettes of local Palestinian conditions under Ottoman rule Baronial outrage at colonists' ingratitude toward his centralized regime agents' ineptness and encounters with Herzl Balfour and Weizmann Meanwhile the Baron evolves from a benevolent onlooker to an active accomplice and with Schama's thoroughly documented incisively written account he and his family take their significant places in Israeli history Kirkus To its credit Schama's work records that the re-establishment of large-scale Jewish settlement in Palestine was not only marked by a struggle against its Arab inhabitants and later against its British overlords but primarily by a struggle against the sandy soil rocks and swamps which covered so much of the land available for Jewish settlement at the turn of the century The importance of this study is that it is the first to be based on the archives of PICA the Palestine Jewish Colonisation Association which Schama has used extensively He presents countless details concerning the

early Jewish settlements and many fascinating vignettes of life in Ottoman Palestine he has written a highly readable account of aspects of life in Palestine in the late nineteenth and early twentieth centuries Ronald W Zweig *The Historical Journal* Schama's contributions are remarkable Schama's lively and intelligent discussion of the material hardships and economic realities of the resettlement effort makes an important contribution The spare details of the economic problems of the Yishuv take on a sense of immediacy that is found only in the best economic history Todd M Endelman *Jewish Social Studies* Biographies of Baron Edmond de Rothschild have been written before But not until Schama's book which evidently had the support of family cooperation could we rely on a study based on archival as well as more readily available documentation It is fortunate that this material is now made accessible in the interpretation of a distinguished historian with a broad sweep of social and economic as well as political interests Benjamin Halpern *Middle East Journal* An important study Raphael Patai *The American Historical Review* *Israeli Historical Revisionism* Derek J. Penslar, Anita Shapira, 2013-10-31 The essays in this volume by leading scholars from within and outside Israel shed new light on the Israeli historians controversy of the creation of the State of Israel the 1948 War and its aftermath Israel's attitude towards Holocaust survivors the melting pot absorption policy and similar subjects The attack on Zionist historiography which initially came from what is dubbed the post Zionist radical left has recently broadened to include a critique from the right These essays cover diverse aspects of the critique exploring its historiographical political sociological and educational ramifications *Israeli Rejectionism* Zalman Amit, Daphna Levit, 2011-02-04 This book delves deep into the peace process in Palestine Israel to find out why so little progress has been made on the key issues Zalman Amit and Daphna Levit find overwhelming evidence of Israeli rejectionism as the main cause for the failure of peace They demonstrate that the Israeli leadership has always been against a fairly negotiated peace and have deliberately stalled negotiations for the last 80 years The motivations behind this rejectionist position have changed as have the circumstances of the conflict but the conclusion has remained consistent peace has not been in the interest of the state of Israel The book draws on a wealth of sources including Hebrew documents and transcripts to show that it is the Palestinians who lack a viable partner for peace *Judah L. Magnes* Daniel P. Kotzin, 2010-08-17 Judah L. Magnes 1877-1948 was an American Reform rabbi Jewish community leader and active pacifist during World War I In the 1920s he moved to British Mandatory Palestine where he helped found and served as first chancellor of the Hebrew University of Jerusalem Later in the 1930s and 1940s he emerged as the leading advocate for the binational plan for Palestine In these varied roles he actively participated in the major transformations in American Jewish life and the Zionist movement during the first half of the twentieth century Kotzin tells the story of how Magnes immersed in American Jewish life Zionism and Jewish life in Mandatory Palestine rebelled against the dominant strains of all three His tireless efforts ensured that Jewish public life was vibrant and diverse and not controlled by any one faction within Jewry Magnes brought American ideals to Palestine and his unique conception of Zionism shaped Jewish public life in Palestine influencing both the

development of the Hebrew University and Zionist policy toward Arabs **A Village by the Jordan: The Story of Degania**
Joseph Baratz, 2024-05-19 In this highly readable first person account we learn the history of Kibbutz Degania from one of its first members beginning in 1911 when there were only 12 and through its growth as a community and center of agriculture its joys and its difficulties It is an attractive interesting read featuring such major figures as Trumpeldor Arthur Ruppin and A D Gordon through the years of the British Mandate the Second World War the Jewish Brigade the War of Independence and after The author is nostalgic for the past with its ideals its extraordinary atmosphere austere customs poverty and warm collegiality This is a book that deserves to be read and pondered Dante Lattes La Rassegna Mensile di Israel A Village by the Jordan The Story of Degania tells the story of the first collective village founded at the beginning of the present century The authenticity of this account is enhanced by the fact that its author Joseph Baratz was one of the founders of the village and has continued to play a major part in its development from a precarious border settlement of twelve young men and women into a prosperous community of over a thousand souls The story is one of human endurance hope and despair toil and struggle failure and final success Its pages testify to the determined dedication of its members to create a just and meaningful life for themselves and others The author tells his story with a spontaneity and simplicity that mark any truly creative experience Baratz refrains from idealizing and embellishing he shows throughout a sense of historical perspective and presents events and personalities in their proper light He never resorts to wishful interpretation the significance of what he relates becomes evident by dint of the momentum inherent in the story which thus assumes the additional importance of an authentic historical document A Village by the Jordan is indeed both enlightening and inspiring Shaoul Hareli Studies in Bibliography and Booklore Modern Peoplehood John Lie, 2011-04 A most impressive achievement by an extraordinarily intelligent courageous and that goes without saying well read mind The scope of this work is enormous it provides no less than a comprehensive historically grounded theory of modern peoplehood which is Lie's felicitous umbrella term for everything that goes under the names race ethnicity and nationality Christian Joppke American Journal of Sociology Lie's objective is to treat a series of large topics that he sees as related but that are usually treated separately the social construction of identities the origins and nature of modern nationalism the explanation of genocide and racism These multiple themes are for him aspects of something he calls modern peoplehood His mode of demonstration is to review all the alternative explanations for each phenomenon and to show why each successively is inadequate His own theses are controversial but he makes a strong case for them This book should renew debate Immanuel Wallerstein Yale University and author of The Decline of American Power The U S in a Chaotic World

As recognized, adventure as skillfully as experience not quite lesson, amusement, as capably as understanding can be gotten by just checking out a books **Berl The Biography Of A Socialist Zionist Berl Katznelson 1887 1944** next it is not directly done, you could agree to even more in relation to this life, vis--vis the world.

We provide you this proper as skillfully as simple pretension to acquire those all. We offer Berl The Biography Of A Socialist Zionist Berl Katznelson 1887 1944 and numerous books collections from fictions to scientific research in any way. accompanied by them is this Berl The Biography Of A Socialist Zionist Berl Katznelson 1887 1944 that can be your partner.
