M. Davis,2012-12 It s all quiet now in cities like Birmingham Chicago Detroit New York and Newark where blacks once protested and rioted against their segregated conditions in the 1960s and women burned their bras during the Women s Liberation era in the 1970s But for five years O M Davis a pioneer in equal employment opportunity analyzed employment practices and wrote affirmative action plans for public and private sector clients throughout the United States This was concurrent with her CEO refusing to pay her comparable wages as whites and males citing that although qualified she had two strikes against her of being black and a woman One CEO stated that she had

delusions of grandeur while the other stated that she was ahead of her time From 1968 to 1999 O M Davis used the court of law to redress her fight with CEOs across race and gender lines for pay equity and inclusion Along the way she weaves in her enslaved Native American Cherokee ancestry a world conference of women and anecdotes of spiritual inspiration Davis cites the family as the key to her success In *Branches of the Vine The Price of Admission* she gives you an inside look at her story of inspiration embedded in her stable nuclear Christian family background which she accessed to function in today's society By looking deep within herself she interweaves her enslaved bloodline where her re imagination of past conditions empowers her with knowledge of unity and diversity As a contemporary woman whose world pivots on individualized systemic gender and race discrimination it also becomes the stuff on which she renders decisions in the business world There are certain basic truths that are so solid in the foundation of our being that it can become monumental for any era or new nu world order

The Price of Admission: Branches of the Tree O.M. Davis, 2012-05-15 Davis describes her journey outside the Bible South where her soul has been implanted with the spirits of her mother father an Old Testament God the image of Jesus Christ along with the wandering spirit of her enslaved ancestral Cherokee grandmother Her mother's spirit prevents her from committing murder suicide in the workplace She then is able to see that she is a part of the nu world order using the same tree on which Jesus Christ was crucified to free her as her knowledge frees others in gender and race games Further clarification comes from a world conference of women to find that not only she does know her rights and sues in court most women do not know that they have rights
