Bernard Shaw A Life:

George Bernard Shaw Archibald Henderson, 1908 **George Bernard Shaw** Hesketh Pearson, 1963 Bernard Shaw Hesketh Pearson, 1961 **Bernard Shaw** A. M. Gibbs, 2005-11-23 Bernard Shaw fashioned public images of himself that belied the nature and depth of his emotional experiences and the complexity of his intellectual outlook In this absorbing biography noted Shawian authority A M Gibbs debunks many of the elements that form the foundation of Shaw's self created legend from his childhood which was not the loveless experience he claimed publicly to his sexual relationships with several women to his marriage his politics his Irish identity and his controversial philosophy of Creative Evolution Drawing on previously unpublished materials including never before seen photographs and early sketches by Shaw Gibbs offers a fresh perspective and brings us closer than ever before to the human being behind the masks **George Bernard Shaw, His Life and Works** Archibald Henderson, 1920 *George Bernard Shaw, His Life and Works* Archibald Henderson, 2017-10-17 Excerpt from *George Bernard Shaw His Life and Works A Critical Biography* Authorized In characteristic style Mr Shaw once gave the following fantastic account of the evolution of the present work A young American professor Shaw explained wished to write a book about him Originally he thought of beginning his task by writing an article for a daily newspaper But so rapidly did the material grow that he soon saw the necessity of expanding the newspaper article into a long essay for a monthly review When the essay was completed in View of the mass of material in his hands it appeared totally inadequate to express what he really wished to say about Bernard Shaw It then occurred to him to write a short book entitled G B S Alas This plan had also to be relinquished for it was now manifest that in no such small compass was it possible to do justice to his subject At last he hit upon the brilliant scheme of his final adoption he would write a history of modern thought in twenty volumes After considering the forerunners of his hero in the first nine teen volumes he would devote the twentieth solely to the treatment of George Bernard Shaw About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works **G.
