Corsi. Ph.D., 2018-02-20 The truth behind how well funded hard left extremists the mainstream media and Obama Clinton holdovers in the government bureaucracy have combined with clandestine forces within the US intelligence apparatus the Deep State to block and undermine Trump's every move At 2:45 a.m. ET on Nov 8 2016 television networks announced to a stunned nation that Pennsylvania's 20 electoral had gone for Donald Trump making him the president elect of the United States defying all odds in a surreal victory that sent the Deep State into an immediate sense of panic By dawn on Nov 9 2016 the Deep State forces that expected Hillary Clinton to continue the leftist politics of Barack Obama were already planning Donald Trump's demise What emerged from the hard left was a political strategy calculated to block Donald Trump from being inaugurated and if that failed to make sure Donald Trump would not long serve out his term as 45th President of the United

States Investigative journalist and conspiracy expert Jerome Corsi goes into shocking detail about how this Deep State or Shadow Government secretly wields power in Washington and why the Deep State is dangerous capable of assassinating Trump if efforts to impeach him or to force him to resign fail Corsi will also define a three point strategy Trump as a political independent opposed both by Democratic Party enemies and GOP establishment must employ to stay in office and have a chance of a successful first term in office
