Moe-Lobeda, Larry L. Rasmussen, 2018-05-01 Earth is changing in ways it hasn't for hundreds of thousands of years At the same time Christianity is breaking away from its millennium long geographical and cultural center in the Euro West Its growth is in Asia Africa and Latin America primarily in Pentecostal evangelical and independent churches These dramatically changed planetary and ecclesial landscapes have led many to conclude that we need a new way of thinking about our collective existence who are we and what is the nature of our responsibility in this deeply altered world To address that question biblical scholars Bruce C Birch and Jacqueline E Lapsley and Christian ethicists Larry L Rasmussen and Cynthia Moe Lobeda carry on a new conversation that engages how Christians are to understand the authority and use of Scripture the basic elements of any full bodied Christian ethic attuned to our circumstances and the nature of our responsibility to our planetary neighbors and creation itself **Catalogue of the Printed Books in the Library of the Society of Writers to**

Mesa, 2025-10-13 Ivan E Mesa explores how English Particular Baptists held a unique view of the Jewish people within God's unfolding redemption. As dissenters themselves, Baptists empathized with the Jewish plight and connected their philo-Semitism to a larger theological vision that anticipated the Jews' conversion and eventual return to the land of Israel. English Baptists viewed Jews as the people of God beloved for the fathers' sake (Rom 11:28). They believed the nation of Israel would one day experience a transformative conversion aligning with God's covenantal promises. Through figures such as Henry Jessey, John Gill, Andrew Fuller, and Charles Spurgeon, the author demonstrates how these Baptists advocated for Jewish readmission to England, prayed for the Jews' conversion, and engaged in charitable work. This Baptist perspective was distinct and influential, demonstrating a millenarian zeal that connected religious, political, and cultural realms within England, with implications stretching as far as the establishment of the modern state of Israel in 1948. Mesa offers a fresh perspective on Christian-Jewish relations, moving beyond the established narratives of anti-Semitism and toward a more comprehensive understanding of philo-Semitic eschatology.
