Beside Still Waters Jews Christians And The Way Of The Buddha:

Beside Still Waters Harold Kasimow, John P Keenan, Linda Klepinger Keenan, 2003-06-15 A compelling question for people of faith today is how to remain committed to one's own religious tradition while being open to the beauty and truth of other religions. Many who have broadened their experience profess to have developed a deeper understanding of and a deeper commitment to their tradition of origin. This is what makes *Beside Still Waters* such a new and meaningful contribution. Rather than offering research or lectures, this book takes a deeply personal approach, allowing the reader to delve into the individual experiences of fourteen Jews and Christians whose encounters with Buddhism have truly impacted their sense of religious identity. *Beside Still Waters* upholds this point by way of the diverse and eloquent authors who lend their perspective in its pages. These include Sylvia Boorstein, John B Cobb, Norman Fischer, Ruben Habito, and other important members of the Jewish Christian and scholarly communities, as well as a foreword by Jack Miles, Pulitzer Prize winning author of *God: A Biography*. Their anecdotes and interviews collected here amount to an unprecedented and enduring work sure to deepen our ability to understand each other and ourselves.

Beside Still Waters Harold Kasimow, Keenan P. John, Linda Klepinger Keenan, 2016-05-10 A compelling question for people of faith today is how to remain committed to one's own religious tradition while being open to the beauty and truth of other religions. For example, some fear that Buddhism is a threat to Western faith traditions and express grave doubts about interreligious and cross-cultural encounters. Yet many who have actually broadened their experience profess to have developed a deeper understanding of and a deeper commitment to their tradition of origin. This is what makes *Beside Still Waters: Jews, Christians and the Way of the Buddha* such a new and meaningful contribution. Rather than offering research or lectures, *Beside Still Waters* takes a deeply personal approach, allowing the reader to delve into the individual experiences of fourteen Jews and Christians whose encounters with Buddhism have truly impacted their sense of religious identity. As Jack Miles, author of *God: A Biography*, says in the book's foreword: "The Buddhist presence in the religious world is far larger than a head count of Buddhists can reveal." *Beside Still Waters* upholds this point by way of the diverse and eloquent authors who lend their perspective in its pages. These include Sylvia Boorstein, John B Cobb, Norman Fischer, Ruben Habito, and other important members of the Jewish Christian Buddhist and scholarly communities. Their collected anecdotes and interviews amount to an unprecedented and enduring work sure to deepen our ability to understand each other and therefore ourselves.

Nixon Under the Bodhi Tree and Other Works of Buddhist Fiction Kate Wheeler, 2004-06-15 An exciting inventive and multifaceted collection that includes everything from visionary short stories to fictionalized personal memoirs.

My Journey as a Religious Pluralist Alan Race, 2021-06-02 Christian theology of religions remains a central component of the Christian response to global religious diversity. In the face of theological refusals to engage with issues of religious absolutism and new impressions from interreligious encounters, this book seeks to inject fresh energy into a debate that has stalled in recent years. The encounter between Christians and people

of different religious persuasions raises questions of how to interpret Christian absolutism for a new and developing consciousness that values the experience of the religious other This book argues that interreligious dialogue interreligious ethical collaboration and comparative studies all point to a pluralist future where we are obliged to recognize the spiritual authenticity of the experience animating many religions Building friendly relations between faith communities is to be applauded but it is insufficient in the face of the many challenges confronting the global human community Whether we are speaking of cooperation in civil society peace in the world or the overarching ecological crisis encompassing the planet as a whole the acceptance of the diversity of religions as a positive religious value will strengthen the sense of global responsibility that is needed

A New Day Akinade Akintunde E. (ed.),2010 The unprecedented resurgence renewal and rebirth of twenty first century Christianity in postcolonial societies such as Asia Africa and Latin America calls for new insights methodologies and paradigms since the West can no longer be regarded as the sole citadel and cradle of the Christian faith The Christian message has been reshaped and reappropriated in different contexts and cultures and through this cross cultural transmission and transformation it has become a world religion Contextualizing the Christian faith also entails decolonizing its theology precepts and dogma These efforts continue to engender new initiatives and efforts in the intercultural interconfessional intercontinental and interreligious dimensions of world Christianity A New Day is a collection of essays in honor of Lamin Sanneh one of the most adamant advocates and apostles of the radical change in the face of Christianity in the twenty first century The essays in this book by recognized scholars deal with issues themes and perspectives that are important for understanding Christianity as a world religious movement

Teaching for a Multifaith World Eleazar S. Fernandez,2017-05-05 When religious diversity is our reality radical hospitality to people of other faiths is not a luxury but a necessity More than necessary for our survival radical hospitality to religious diversity is necessary if we are to thrive as a global society By no means does the practice of hospitality in a multifaith world require that we be oblivious of our differences On the contrary it demands a respectful embrace of our differences because that s who we are Neither does radical hospitality require that we water down our commitment because faithfulness and openness are not contradictory We must be able to say with burning passion that we are open to the claims of other faiths because we are faithful to our religious heritage The essays in this book do not offer simply theological exhortations they offer specific ways of how we can become religiously competent citizens in a multifaith world Let s take the bold steps of radical openness with this book on our side

Grounding Our Faith in a Pluralist World John P. Keenan,Sydney Copp,Lansing Davis,Buster G. Smith,2009-01-01 This book draws upon the Mahayana philosophy developed within Buddhism employing it as a means to empty our usual alternatives for viewing the world s many religions whether exclusivism inclusivism or pluralism The aim is to free people from clinging to intellectual positions enabling them gently but committedly to affirm their vernacular tradition as it is practiced on the ground It critiques the above three options and introduces the Mahayana philosophy of emptiness

and dependent arising along with its distinction between ultimate truth and conventional truth It then applies this philosophy to an urgent question that bedevils modern people how to practice one's chosen faith in the awareness of many other honored and attractive paths both elegant and efficacious *Zen Master Who?* James Ishmael Ford, 2006-10-20 Surprisingly little has been written about how Zen came to North America Zen Master Who does that and much more Author James Ishmael Ford a renowned Zen master in two lineages traces the tradition's history in Asia looking at some of its most important figures the Buddha himself and the handful of Indian Chinese and Japanese masters who gave the Zen school its shape It also outlines the challenges that occurred as Zen became integrated into western consciousness and the state of Zen in North America today The author includes profiles of modern Zen teachers and institutions including D T Suzuki and Alan Watts and such topics as the emergence of liberal Buddhism and Christians Jews and Zen This engaging accessible book is aimed at anyone interested in this tradition but who may not know how to start Most importantly it clarifies a great and ancient tradition for the contemporary seeker *Buddhist Studies from India to America* Damien Keown, 2006-01-16

Buddhist Studies from India to America covers four important areas of Buddhist Studies Vinaya Studies and Ethics the history of Buddhist schools Western Buddhism and Inter religious dialogue These are the main areas which Charles S Prebish has either inaugurated or helped to define and his academic career as a leading international scholar and his significant professional achievements are celebrated within this volume The geographical and historical scope of the essays in this collection range from ancient India to modern America and includes contributions by well known international scholars The contributors discuss a variety of academic disciplines including philosophy psychology history feminism and sociology It will appeal to scholars whose interests embrace either ancient or modern aspects of the Buddhist tradition **New Jewish**

Feminism Rabbi Elyse Goldstein, 2012-06-28 *Jewish Feminism What Have We Accomplished What Is Still to Be Done* When you are in the middle of the revolution you can't really plan the next steps ahead But now we can The book is intended to open up a dialogue between the early Jewish feminist pioneers and the young women shaping Judaism today Read it use it debate it ponder it from the Introduction This empowering anthology looks at the growth and accomplishments of Jewish feminism and what that means for Jewish women today and tomorrow It features the voices of women from every area of Jewish life the Reform Reconstructionist Conservative Orthodox and Jewish Renewal movements rabbis congregational leaders artists writers community service professionals academics and chaplains from the United States Canada and Israel addressing the important issues that concern Jewish women *Women and Theology Women Ritual and Torah Women and the Synagogue Women in Israel Gender Sexuality and Age Women and the Denominations Leadership and Social Justice*

Dialogue Derailed Ambrose Mong, 2017-05-25 Joseph Ratzinger has shaped and guided the church's mission to proclaim the good news as well as to forge good relations with non Catholic Christian communities other religious traditions and the secular world at large Through a critique of Ratzinger's theology this book draws attention to the importance of theological

discourses originating from non European contexts Mong highlights the gap between a dogmatic understanding of faith and the pastoral realities of the Asian church as well as the difficulties faced by Asian theologians trying to make their voices heard in a church still dominated by Western thinking While Mong concurs with much of Ratzinger s analysis of the problems in modern society such as the aggressive secularism and crisis of faith in Europe he brings attention to the realities of religious pluralism in Asia which require the church to adopt a different approach in its theological formulations and pastoral practices

Arthur Green: Hasidism for Tomorrow Hava Tirosh-Samuelson, Aaron W. Hughes, 2016-07-11 Arthur Green is Rector of the post denominational Rabbinical School and Irving Brudnick Professor of Jewish Philosophy and Religion at Hebrew College in Newton Massachusetts Originally ordained as a Conservative rabbi Green considers himself a neo Hasidic Jew identifying with none of the established Jewish denominations He combines historical knowledge of the Jewish mystical tradition with an original constructive theology Recognized as both a rabbi and a scholar Green has sought to make spiritual pursuit an essential part of committed Jewish life Through scholarship educational work and popular teaching he has contributed to the growth and vitality of Judaism in America and helped promote neo Hasidism as Jewish spirituality for the 21st century

Living Zen, Loving God Ruben L. F. Habito, 2013-02-08 The release of Ruben Habito s new book *Living Zen Loving God* has coincided with a rave review from Publishers Weekly magazine Habito may not seem himself as a revolutionary but his humble life calling to illuminate the commonalities between Zen Buddhism and Christianity seems a profound gift Habito excels in illuminating the connective spiritual tissue between the two religions while explaining the principles of Buddhism This is an excellent book for readers who want to deepen their understanding of Christianity as well as Buddhism Publishers Weekly Exactly right This wonderful book in its friendly informative tone carefully explains Buddhist ideas from key concepts like Emptiness and The Truth of Suffering to an in depth and enlightening examination of the Heart Sutra all in terms that will help modern Christian practitioners to deepen their faith and Buddhists to revitalize and broaden their perception and understanding This is a book with immense value to anyone interested in interreligious dialogue and studies and as such has already won accolades from Habito s contemporaries See below Habito a practicing Catholic and former Jesuit priest as well as an acknowledged Zen master and professor in the School of Theology at Southern Methodist University makes a clear case that Zen practice can deepen a Christian s connection to God further clarify the Gospel teachings of Jesus and enable one to live a more joyous compassionate and socially engaged life Habito demonstrates that the practice of Zen meditation and even some elements of

the Buddhist worldview can enable one to love God more constantly and commit to the service of the Realm of Heaven and the human community more wholeheartedly Ruben L F Habito is the author of numerous publications in both Japanese and English on Zen and Christianity and is a prominent figure in the Buddhist Christian Dialogue A native of the Philippines Habito served as a Jesuit priest in Japan under the guidance of the great spiritual pioneer Father Hugo Enomiya Lassalle and studied Zen with renowned teacher Koun Yamada He lives in Dallas Texas

Maven in Blue Jeans Steven L. Jacobs, 2009 This collection of academic essays have been written in tribute to Professor Zev Garber and are divided to reflect the areas in which Professor Garber has devoted his teaching and writing energies the Holocaust Jewish Christian relations philosophy and theology history and biblical interpretation

Pope Francis and Interreligious Dialogue Harold Kasimow, Alan Race, 2018-10-29 This book engages thinkers from different religious and humanist traditions in response to Pope Francis's pronouncements on interreligious dialogue The contributors write from the perspectives of Judaism Christianity Islam Hinduism Sikhism Buddhism and Humanism Each author elaborates on how the pope's openness to dialogue and invitation to practical collaboration on global concerns represents a significant achievement as the world faces an uncertain future The theological tension within the Catholic double commitment to evangelization on the one hand and dialogue on the other remains unresolved for most writers but this does not prevent them from praising the strong invitation to dialogue especially with the focus on justice peace and ecological sustainability

Healing Breath Ruben L. F. Habito, 2013-02-08 Healing our wounded Earth is not unrelated to healing our own personal wounds The pains of the Earth and those of the individuals making up our Earth community cannot be separated Thus the healing of our individual lives can become the basis of the healing of Earth This book sheds light on Zen as a spiritual path that leads to healing in the personal social and ecological dimensions of our being If you are seeking a form of spiritual practice that addresses all three of these dimensions or simply seeking to deepen your understanding of the Zen path it is written for you If instead of fragmentation disorientation and vacuity you seek wholeness groundedness and integrity in your life it is written for you Perhaps you too have come to realize that our global community is in a sad state of affairs that we need to radically change how we live and relate to one another and to the Earth You may already be engaged in some form of social or ecological action addressing these issues and you may feel overwhelmed by the magnitude of the task If you've been tempted to pessimism or have thrown up your hands in despair when your best efforts don't seem to make a dent this book is for you Healing Breath offers a way to integrate a spiritual path with active socio ecological engagement as the ground This book also addresses another set of questions can a Christian genuinely practice Zen How is Zen practice compatible with a Christian faith commitment To fully engage in a Zen practice what kind of belief system is presupposed or required How can spiritual practice in an Eastern tradition inform Christian life and understanding In the process of describing the Zen way of life Healing Breath will consider various Christian expressions symbols and practices not as an apologetic for that belief system but to show how they too point to the

transformative and healing perspectives and experiences provided by Zen **Homegrown Gurus** Ann Gleig, Lola Williamson, 2013-11-01 Exploring homegrown movements and figures proclaims American Hinduism as a distinct religious tradition Today a new stage in the development of Hinduism in America is taking shape After a century of experimentation during which Americans welcomed Indian gurus who adjusted their teachings to accommodate the New World context American Hinduism can now rightly be called its own tradition rather than an imported religion Accordingly this spiritual path is now headed by leaders born in North America Homegrown Gurus explores this phenomenon in essays about these figures and their networks A variety of teachers and movements are considered including Ram Dass Siddha Yoga and Amrit Desai and Kripalu Yoga among others Two contradictory trends quickly become apparent an increasing Westernization of Hindu practices and values alongside a renewed interest in traditional forms of Hinduism These opposed sensibilities innovation and preservation radicalism and recovery are characteristic of postmodernity and denote a new chapter in the American assimilation of Hinduism **The Mystery of Suffering and the Meaning of God** Anson Hugh

Laytner, 2019-07-12 The Mystery of Suffering and the Meaning of God is a book written by a skeptical but spiritual person for people who struggle with the subjects of God divine providence prayer and related issues people who are looking for honest and thoughtful and sometimes humorous theological reflections but no easy answers A work of creative theology fifteen years in the making The Mystery of Suffering and the Meaning of God deals primarily with the issue of suffering starting with the book of Job and addresses the subject of theodicy before going on to explore related topics of the role of prayer God concepts the meaning of revelation and how we can best live together Laytner intersperses these penetrating theological reflections with pertinent episodes from his life starting with the personal tragedies that sparked this book Trained as a liberal rabbi Laytner riffs on Jewish themes to offer a universal yet personal response to each of the challenges he discusses His thesis is this If you are troubled by the issue of suffering and wonder about God's presence or lack thereof in the world and you find no solace in any of the traditional theodicies then change your conception of God and God's involvement in the world

Problem solved Interfaith Activism Harold Kasimow, 2015-11-04 Abraham Joshua Heschel was the towering religious figure of American Jewry in the twentieth century In Interfaith Activism Harold Kasimow who is known for his work on Heschel and on interfaith dialogue between Jews and members of other faiths presents a selection of his essays on Heschel's thought Topics include Heschel's perspective on the different religious traditions Heschel's three pathways to God his deep friendship with Maurice Friedman and Martin Luther King Jr and his surprising affinity to the great Hindu Vedantist Swami Vivekananda and to Pope Francis A new essay examines Heschel's struggle with the Holocaust Since the late 1950s when Kasimow was Heschel's student he has wrestled with Heschel's claim that in this eon diversity of religions is the will of God and Heschel's belief that there must be dialogue between the river Jordan and the River Ganges
