recognition came only after years of struggle to find his authentic voice his audience and an artistic milieu in which to create These letters which span the years 1937 to 1983 offer a compelling testament to what it means to be a writer in America A prolific correspondent Goyen wrote regularly to friends family editors and other writers Among the letters selected here are those to such major literary figures as W H Auden Archibald MacLeish Joyce Carol Oates William Inge Elia Kazan Elizabeth Spencer and Katherine Anne Porter These letters constitute a virtual autobiography as well as a fascinating introduction to Goyen s work They add an important chapter to the study of American and Texas literature of the twentieth century The Culture and Commerce of the American Short Story Andrew Levy,1993-09-24 The Culture and Commerce of the Short Story is a cultural and historical account of the birth and development of the American short story from the time of Poe It describes how America through political movements changes in education magazine editorial policy and the work of certain individuals built the short story as an image of itself and continues to use the genre as a locale within the realm of art where American political ideals can be rehearsed debated and turned into literary forms While the focus of this book is cultural individual authors such as Edgar Allan Poe and Edith Wharton are examined as representative of the phenomenon As part of its project this book also contains a history of creative writing and the workshop dating back a century Andrew Levy makes a strong case for the centrality of the short story as a form of art in American life and provides an explanation for the genre s resurgence and ongoing success
