Marshall Cavendish Corporation, 2002-10 A thirteen volume set that presents an overview of all aspects of twentieth century America and two volumes of primary sources David Bruce, 2006-06-01 Bride of The Funniest People in Religion and Families contains such anecdotes as these When Panamanian salsa singer Rubin Blades married Lisa Lebenzon an Anglo a white American not of Spanish descent non Spanish speaker he asked her to learn Spanish so he could speak his native language at home She finished in only seven months a Spanish course that normally took three years Dr Louis Finkelstein chancellor of the Jewish Theological Seminary of America kept a strictly kosher diet While in Paris he and a group of rabbis ate only in kosher restaurants On leaving Paris Dr Finkelstein joked I can t understand all this fuss people make about French cooking We have the same things at home A Sufi teacher spoke about the virtue of patience As he spoke a scorpion stung his foot repeatedly His followers eventually noticed the scorpion and asked the teacher why he had not moved his foot away from it The teacher replied I was discussing the virtue of patience I could hardly have spoken about patience without also setting an example of patience I would have been ashamed before God The Funniest People in Books and Music David Bruce, 2005-11-01 The Funniest People Who Write Books and Make Music contains such anecdotes as these When Peg Bracken started writing she would often type the first page of a famous short story for inspiration Often she discovered that the page did not look as impressive typed on a sheet of paper as it did printed on a page in a book so sometimes she would imitate her English professor and write on the sheet of paper You can do better than this Mr Faulkner Andri Previn played jazz with a couple of American African musicians Afterwards he went into a diner where two white men asked him Why the hell don t you play with your own kind Mr Previn replied To tell you the truth I wanted to but I couldn t find two other Jews who swing Soccer and Cup Final day are important in England Once the noted conductor Sir Thomas Beecham held a rehearsal on Cup Final day The rehearsal had been going on for only a short time when a giant television was delivered to the rehearsal area Sir Thomas then said Now gentlemen let's get down to the most important business of the day watching the match Queer Temporalities in Gay Male Representation Dustin Bradley Goltz, 2009-12-04 Through the analysis of over seventy films and thirty television series ranging from Shortbus Sweet Home Alabama and Poseidon to Noah s Arc Brothers Sisters and Dawson's Creek Goltz examines reoccurring narrative structures in popular media that perpetuate the extreme value placed upon young gay male bodies while devaluing health aging and longevity Alienated from the future outside of limited and exclusionary systems of marriage and procreation the gay male is narrated within a circular tragedy that draws upon cultural mythologies of older gay male predation the absence of gay intergenerational mentorship and the gay male as sacrificial victim Using a Burkean framework Goltz makes a theoretical rhetorical and cultural investigation of how the increased visibility of positive gay representation in dominant media shapes contemporary meanings of gay aging heteronormative future homonormative future and gueer potential Anything but Straight Wayne Besen, 2012-07-26 The real story behind ex gay ministries and reparative therapy Nationally known activist Wayne Besen spent four years examining

the phenomenon of ex gay ministries and reparative therapies interviewing leaders attending conferences and visiting ministries undercover as he accumulated hundreds of hours of research The result is Anything but Straight Unmasking the Scandals and Lies Behind the Ex Gay Myth a groundbreaking expos of the controversial movement that s revered by independent religious groups and reviled by gay and lesbian organizations. The book presents a historical perspective on the dispute examining ex gay groups such as Love In Action Exodus International Homosexuals Anonymous and profiling a cast of characters that includes Pat Robertson the Rev Jerry Falwell ex gay poster boy John Paulk National Association of Research and Therapy of Homosexuality activist Richard Cohen and psychiatrist Dr Robert Spitzer An in depth well researched and historically significant account Anything but Straight is full of startling facts and alarming surprises The original content and novel material in the book includes a first ever comprehensive history of the ex gay ministries and reparative therapy the inside story of the night the author photographed ex gay poster boy John Paulk inside a gay bar the author's discovery that Anne Paulk lied about being a lesbian and has admitted to having a strong attraction to men BEFORE she became ex gay previously undisclosed bizarre techniques used by the ex gay ministries and reparative therapists the author's exclusive in depth interviews with leading ex gay leadersthey disclose their deepest secrets hidden desires and true motivations an extraordinary new study that shows that most ex gay leaders have suffered from substance abuse or severe emotional problems while many ex gay leaders claim they were unhappy being gay this report helps prove that their dissatisfactions came not from their homosexuality but from poor life choices and irresponsible behavior new revelations that one of the nation's leading reparative therapists hailed from a secretive cult that was scandalized for practicing nude therapy From the author Through my extensive experience I have learned that the extraordinary claims made by the ex gay groups are without merit and the efficacy of their programs is dubious at best and harmful at worst One frequent question I get is Why can t gay activists simply leave ex gay groups alone and let them go about their business This is exactly what happened for nearly three decades while ex gay groups labored in near anonymity But all this recently changed when the ex gay groups intricately aligned themselves with the anti-gay political agenda of the Religious Right With ex-gays added to their arsenal the Right could disingenuously claim to love gay people and offer them hope for change while simultaneously fighting for punitive legislation Their insidious message Since gays and lesbians can change there is no need for laws that protect them against arbitrary prejudice Anything but Straight Unmasking the Scandals and Lies Behind the Ex Gay Myth is an essential read for activists on both sides of the ex gay fence family members of gays and lesbians Gay Bisexual Lesbian and Transgender church members psychiatric and social science professionals and anyone who has dealt with coming out issues An appendix of resources and a helpful bibliography make it easy to find additional information on this fascinating topic
