directions on getting to and from the parks are included as well as how to get around once you're there whether you want to tour independently or prefer to join a group excursion. It also profiles places to stay and eat in and near each park with options to suit all budgets. Maps show each park's features along with all surrounding access routes. Are you wondering when to visit? The author tells all about the climate and the crowds or lack of them in all seasons and recommends the ideal times to explore our nation's treasures. A unique section, Suggested Trips, contains customized itineraries describing ways to combine visits to one or more parks with tours of nearby attractions. These routes are designed to last from four to 10 days and include complete directions and recommended places to stay each night. Describes the parks in depth giving advice on planning your time vital when it comes to setting priorities. Invaluable. Physician's Travel Meeting Guide. Maps are shown for every park. The print edition of the full book is 506 pages. This is a straight talking author who reminds me of a smart blunt friend no pussyfooting around. The Armchair Traveler Daily Herald. Although it does not include every site administered by the NPS this book is very thorough in its treatment of the parks it covers. The author also describes 13 suggested driving trips of five to 12 days each incorporating nearby attractions. Includes detailed information on accommodations, campgrounds, activities available in each park, handy tips and tidbits, maps and photos. A great travel reference book. Amazon customer. Touring America's national parks has become a pastime for me. I've been from Acadia to the North Cascades to the Grand Canyon and this book is an excellent reference. With an emphasis on travelling via automobile it also has several suggested hiking trips in each park as well as other points of interest. They say that most people never get more than 100 feet from their cars in parks. Well, this is the book to help get you there and point out the best routes outside of your car. It covers more territory than anyone could possibly see in a lifetime but it's sure fun to try. Amazon customer. **Backpacker**, 2004-08. Backpacker brings the outdoors straight to the reader's doorstep inspiring and enabling them to go more places and enjoy nature more often. The authority on active adventure. Backpacker is the world's first GPS enabled magazine and the only magazine whose editors personally test the hiking trails, camping gear and survival tips they publish. Backpacker's Editors' Choice Awards, an industry honor recognizing design feature and product innovation, has become the gold standard against which all other outdoor industry awards are measured. *Moon Pacific Coast Highway Road Trip*. Best Of Central California Main Roads And Side Trips: Bestsellers in 2023 The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous captivating novels captivating the hearts of readers worldwide. Lets delve into the realm of popular books, exploring the engaging narratives that have captivated audiences this year. The Must-Read : Colleen Hoover's "It Ends with Us" This touching tale of love, loss, and resilience has gripped readers with its raw and emotional exploration of domestic abuse. Hoover skillfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can prevail. Best Of Central California Main Roads And Side Trips : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This intriguing historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids captivating storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Best Of Central California Main Roads And Side Trips : Delia Owens "Where the Crawdads Sing" This captivating coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens crafts a tale of resilience, survival, and the transformative power of nature, entrancing readers with its evocative prose and mesmerizing setting. These popular novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of compelling stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a exceptional and suspenseful novel that will keep you guessing until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
