caliber spending many years to create thematically complex graphic masterworks such as *Building Stories* and the ongoing *Rusty Brown*. Editor Jean Braithwaite compiles interviews displaying both Ware's erudition and his quirky self-deprecation. They span Ware's career from 1993 to 2015, creating a time-lapse portrait of the artist as he matures. Several of the earliest talks are reprinted from zines now extremely difficult to locate. Braithwaite has selected the best broadcasts and podcasts featuring the interview-shy Ware for this volume, including new transcriptions. An interview with Marnie Ware from 2000 makes for a delightful change of pace as she offers a generous, supremely lucid attitude toward her husband and his work. Candidly and humorously, she considers married life with a cartoonist in the house. Brand-new interviews with both Chris and Marnie Ware conclude the volume.

Stark and James Yeh In a self reflexive way Julie Doucet's and Gabrielle Bell's comics though often autobiographical defy easy categorization In this volume editors Tahneer Oksman and Seamus O Malley regard Doucet's and Bell's art as actively feminist not only because they offer women's perspectives but because they do so by provocatively bringing up the complicated multivalent frameworks of such engagements While each artist has a unique perspective style and worldview the essays in this book investigate their shared investments in formal innovation and experimentation and in playing with questions of the autobiographical the fantastic and the spaces in between Doucet is a Canadian underground cartoonist known for her autobiographical works such as *Dirty Plotte* and *My New York Diary* Meanwhile Bell is a British American cartoonist best known for her intensely introspective semiautobiographical comics and graphic memoirs such as the *Lucky* series and *Cecil and Jordan in New York* By pairing Doucet alongside Bell the book recognizes the significance of female networks and the social and cultural connections associations and conditions that shape every work of art In addition to original essays this volume republishes interviews with the artists By reading Doucet's and Bell's comics together in this volume housed in a series devoted to single creator studies the book shows how despite the importance of finding a place inside yourself to create this space seems always for better or worse a shared space culled from and subject to surrounding lives experiences and subjectivities
