HUGH MACLENNAN'S BEST. SELECTED AND ED. BY DOUGLAS M.GIBSON. Hugh MacLennan,1991      Hugh MacLennan's Best Hugh MacLennan,1991      *Hugh MacLennan* Frank M. Tierney,1994 Since the publication of *Two Solitudes* in 1945 Hugh MacLennan has been generally accepted as one of Canada's premier novelists However recent studies suggest the need for a reappraisal of MacLennan's status This need is confirmed by a close examination of his writing in recent years which has raised questions about the depth of the quality of his works his scope and inclusiveness his modernism as well as other issues In this volume leading scholars offer fresh perceptions of MacLennan's personality character and artistry Among other issues they examine the quality of his writing the influences on his work and its importance for Canadian literature Moreover conclusions are offered about his international national regional and civic intent his love hate relationship with the nationalist literary agenda his attitude toward women his own feminine side the authenticity of the father son conflict central to his fiction his attitude toward his own and other writers works the role of critics the future of literature An annotated bibliographic update is also included      **Hugh MacLennan** Hugh MacLennan,1984      Douglas Gibson Unedited Douglas Gibson,Christine Evain,2007 This volume highlights the work of Canadian editor Douglas Gibson currently working at McClelland Stewart It covers a broad spectrum of topics including the difference between publishing fiction and non fiction and an analysis of the book industry today      *Stories About Storytellers* Douglas Gibson,2011-10-01 The legendary Canadian book editor presents this remarkable four decade romp through the back rooms of publishing Toronto Sun Scottish born Douglas Gibson was drawn to Canada by the writing of Stephen Leacock and eventually made his way across the Atlantic to find a job in book publishing where he edited a biography of none other than Leacock But over the decades his stellar career would lead him to work with many more of the country's leading literary lights This memoir shares stories of working and playing alongside writers including Robertson Davies Mavis Gallant Brian Mulroney Val Ross W O Mitchell and many more Gibson reveals the projects he brainstormed for Barry Broadfoot how he convinced future Nobel Prize winner Alice Munro to keep writing short stories his early morning phone call from a former prime minister and his recollection of yanking a manuscript right out of Alistair MacLeod's reluctant hands which ultimately garnered the author one of the world's most prestigious prizes for fiction Insightful and entertaining this collection of tales goes behind the scenes and between the covers to divulge a treasure trove of literary adventures He makes his life in publishing sound like great fun The Globe and Mail Toronto      Acts and Proceedings of the Fifth General Assembly Anonymous,2023-05-18 Reprint of the original first published in 1874 The publishing house Anatiposi publishes historical books as reprints Due to their age these books may have missing pages or inferior quality Our aim is to preserve these books and make them available to the public so that they do not get lost      **Locations of the Sacred** William Closson James,2006-01-01 Where do Canadians encounter religious meaning Not where they used to In ten lively and

wide ranging essays William Closson James examines various derivations of the sacred in contemporary Canadian culture Most of the essays focus on the religious aspects of modern Canadian English fiction for example in essays on the fiction of Hugh MacLennan Morley Callaghan Margaret Atwood and Joy Kogawa But James also explores other non literary events and activities in which Canadians have found something transcendent or revelatory Each of the chapters in *Locations of the Sacred* can be read independently as a discrete analysis of its subject Taken as a whole the essays make up a powerful argument for a new way of looking at the religious in contemporary Canada not in the traditional ways of being religious but in activities and locations previously thought to be secular Thus the domains and modes of the religious are expanded not restricted

**Princeton Alumni Weekly** ,1952      *The Canadian Encyclopedia* James H. Marsh,1999 This edition of The Canadian Encyclopedia is the largest most comprehensive book ever published in Canada for the general reader It is COMPLETE every aspect of Canada from its rock formations to its rock bands is represented here It is UNABRIDGED all of the information in the four red volumes of the famous 1988 edition is contained here in this single volume It has been EXPANDED since 1988 teams of researchers have been diligently fleshing out old entries and recording new ones as a result the text from 1988 has grown by 50% to over 4 000 000 words It has been UPDATED the researchers and contributors worked hard to make the information as current as possible Other words apply to this extraordinary work of scholarship AUTHORITATIVE RELIABLE and READABLE Every entry is compiled by an expert Equally important every entry is written for a Canadian reader from the Canadian point of view The finished work many years in the making and the equivalent of forty average sized books is an extraordinary storehouse of information about our country This book deserves pride of place on the bookshelf in every Canadian Home It is no accident that the cover of this book is based on the Canadian flag For the proud truth is that this volume represents a great national achievement From its formal inception in 1979 this encyclopedia has always represented a vote of faith in Canada in Canada as a separate place whose natural worlds and whose peoples and their achievements deserve to be recorded and celebrated At the start of a new century and a new millennium in an increasingly borderless corporate world that seems ever more hostile to national distinctions and aspirations this Canadian Encyclopedia is offered in a spirit of defiance and of faith in our future The statistics behind this volume are staggering The opening sixty pages list the 250 Consultants the roughly 4 000 Contributors all experts in the field they describe and the scores of researchers editors typesetters proofreaders and others who contributed their skills to this massive project The 2 640 pages incorporate over 10 000 articles and over 4 000 000 words making it the largest some might say the greatest Canadian book ever published There are of course many special features These include a map of Canada a special page comparing the key statistics of the 23 major Canadian cities maps of our cities a variety of tables and photographs and finely detailed illustrations of our wildlife not to mention the colourful informative endpapers But above all the book is encyclopedic which the Canadian Oxford Dictionary describes as embracing all branches of learning This means that with rare exceptions

there is satisfaction for the reader who seeks information on any Canadian subject From the first entry A mari usque ad mare from sea to sea which is Canada's motto and a good description of this volume's range to the Zouaves who mustered in Quebec to fight for the beleaguered Papacy there is the required summary of information clearly and accurately presented For the browser the constant variety of entries and the lure of regular cross references will provide hours of fascination The word encyclopedia derives from Greek expressions alluding to a grand circle of knowledge Our knowledge has expanded immeasurably since the time that one mind could encompass all that was known Yet now Canada's finest scientists academics and specialists have distilled their knowledge of our country between the covers of one volume The result is a book for every Canadian who values learning and values Canada

**The Novels of Hugh MacLennan** Robert H. Cockburn, 1970 **An Independent Stance** W. J. Keith, 1991 Part One of this strongly worded informed and wide ranging collection examines key issues for the future of Canadian criticism Part Two offers new readings of important works by Grove Wilson MacLennan Davies Laurence Hood Wiebe Hodgins and Atwood As W J Keith argues We still have a mission to have our literature recognized as an essential reflection of our national life This is what I mean by retrenchment and consolidation Literature can survive without literary criticism but it cannot survive if it is unknown and unread It is criticism's prime function at the present time to see that it is both known and read with that mature enjoyment which is a combination of emotional sensitivity and humane intelligence As critics scholars editors we shall not be fulfilling our responsibilities or justifying our existence if we attempt anything less Or as Keith modestly observes in his introduction to this collection If this book is of any interest it will be because Canadian literature is an important subject Literary commentators like myself are middle men and should be prepared to admit the fact If this book succeeds in helping readers to appreciate the works of Canadian writers that I discuss and to derive increased pleasure and insight from them it will have served its purpose I can see no other justification for it or for any other work of criticism

*The Concise Oxford Companion to Canadian Literature* William Toye, 2001 The concise version of the critically acclaimed second edition of The Oxford Companion to Canadian Literature offers all the authority of the original in a smaller more affordable format Entries have been updated and over sixty new entries have been added making it an indispensable resource
