Jet ,1997-12-29 The weekly source of African American political and entertainment news **The Story of the Christmas No. 1** Marc Burrows,2025-02-10 The Story of the Christmas No 1 is more than just a nostalgic music book It subtly explores pop culture and social history examining our relationship with Christmas how our national identity is reflected in the music we listen to together and how the music industry has changed It also reveals how the Christmas No 1 reflects the current social reality of today and how technology and culture have reshaped the way music is consumed Marc Burrows explores the peculiarly British cultural phenomenon of the Christmas single s chart Why is it seen as so ubiquitous and so relatable to the audience that it s literally a plot point in Love Actually The festive top spot was something that prior to 1973 wasn t particularly important but has since become a cornerstone of the December news cycle and for years an annual cultural moment that may have reached the end of its life He traces the origins of the concept through the Beatles and the years when it wasn t really a thing the Glam rock boom Band Aid novelty records the X Factor years and the awful Sausage
