

 HARLEQUIN®
A romantic couple is shown in a close embrace by a body of water. The woman, on the left, has long brown hair and is wearing a black and white horizontally striped dress. She is looking down with a gentle smile. The man, on the right, has short dark hair and a beard, and is wearing a white polo shirt. He is leaning in and kissing her on the cheek. The background is a soft-focus view of a lake with trees and a bright sky, suggesting a peaceful, natural setting.

Best Friends Harlequin American Romance No 189

Kay Mussell, Johanna Tuñón

Best Friends Harlequin American Romance No 189:

North American Romance Writers Kay Mussell, Johanna Tuñón, 1999-03-25 In this work Kay Mussell and Johanna Tuñón collect essays by contemporary North American romance authors who have come to prominence directly or indirectly as a result of the huge change in the field of romance writing which started in the early 1980s New publishing houses began to compete with Harlequin and the North American romance novel came into its own as a genre In their essays on their own work each of the writers in this volume describes her own take on the romance novel today and how she has adapted the form to accommodate her own voice and concerns Collectively these writers have used the romance genre to address a broad range of social issues and problems Presenting these essays together provides a window into the creativity and originality of some of the best writers in the field
