The Book of Morgan Tony Morgan,2015-04-16 The original title of this collection was The Many Realities of Ynot Nagromthis because some of the people who may have read my novels and or a few of the short stories contained in this volume have asked me if I consider myself a science fiction writer As you will see many of these thirty stories and essays are far from that genre therefore I do not consider myself to be such a writer Rather I see myself at times consumed with the possibilities of alternative realities For instance what if there was a way the South would have been able to win the battle of Gettysburg and with it the Civil War the Titanic had missed the iceberg we were able to build a Super Hadron Collider the circumference of the moon which then opened a parallel universe to ours and George Custer had not chosen to leave his two Gatling guns behind on his way to the Little Bighorn As the cover proclaims I have also included my literary essays short stories and personal tales for all of you And as the Koran begins Not a word of this book should you doubt Tony Morgan

*Dreamer* Nazem Kadri, 2024-10-15 An outspoken inspirational memoir from a charismatic athlete in the spotlight Dreamer is the moving story of the first Muslim hockey player to win the Stanley Cup and the impossible

dreams he made a reality No one who knows the game is unfamiliar with the story of the NHL s first Muslim Stanley Cup winner Nazem Kadri nor does anyone doubt his warmth and openness in front of a microphone or his eagerness to challenge the next generation of Muslim athletes He is a league All Star a highlight reel player and someone who has been called upon to be the face of his community from the moment he put on skates Nazem Kadri was a top ten draft pick of the Toronto Maple Leafs chosen not only for his elite skills but because he would reflect Toronto s immense diversity and huge Muslim population And he was soon a fan favourite not only with a new generation of diverse fans but with traditionalists too who admired his willingness to play the game with old school toughness In the end he was traded to Colorado as management sought to shake up the team But it was the Avalanche not the Leafs who benefitted most and Toronto fans missed him When Colorado won the Stanley Cup in 2022 Kadri by then a fan favourite in Denver was a clutch player in high pressure games Today he is a veteran leader with the Calgary Flames and still making the highlight reels But the core of Kadri s story is what happened off the ice both shocking and heartwarming Kadri faced brutal anti Muslim harassment during Colorado s Cup run from Blues fans and received incredible support from Denver fans When a controversy arose about an uncalled penalty on the championship winning goal this founding member of the league s Hockey Diversity Alliance used the opportunity to make humorous t shirts which raised over 250 000 for the Kadri Foundation And when he had his traditional day with the Stanley Cup he took it to the mosque in his hometown of London Ontario along with the message that the highest success not just in hockey but in life is a destiny any of us can choose
