Best Of Anthropology Today:

The Best of Anthropology Today Jonathan Benthall, 2013-10-11 The articles in this influential journal placed it in the thick of a turbulent period for anthropology Reacting to current research interests and launching what were often heated debates it set the agenda for disciplinary change and new research Once described the American Anthropological Association as creating a strong voice for anthropology in the public arena the Founder Editor Jonathan Benthall introduces here a personal selection of articles and letters with his own candid retrospect arguing that the discipline s greatest strength and potential lies in testing and refining the ideas of other disciplines Once described by the American Anthropological Association as creating a strong voice for anthropology in the public arena the founder editor Jonathan Benthall introduces here a personal selection of articles and letters with his own candid retrospect arguing that the discipline s greatest strength and potential lies in telling and refining the ideas of other disciplines *Introductory Readings in Anthropology* Hilary Callan, Brian Street, Simon Underdown, 2013-03-15 Anthropology seeks to understand the roots of our common humanity the diversity of cultures and world views and the organisation of social relations and practices As a method of inquiry it embraces an enormous range of topics and as a discipline it covers a multitude of fields and themes as shown in this selection of original writings As an accessible entry point for upper level students and first year undergraduates new to the study of anthropology this reader also offers guidance for teachers in exploring the subject s riches with their students That anthropology is an immensely expansive inquiry of study is demonstrated by the diversity of its topics from nature conservation campaigns to witchcraft beliefs from human evolution to fashion and style and from the repatriation of indigenous human remains to research on literacy There is no single story of anthropology Taken together these fundamental readings are evidence of a contemporary vibrant subject that has much to tell us about all the worlds in which we live

Environmental Anthropology Today Helen Kopnina, Eleanor Shoreman-Ouimet, 2011-08-05 This collection offers a wide ranging consideration of the field which illustrates how environmental anthropology can increase our understanding and help find solutions to environmental problems

The Ethics of Anthropology Pat Caplan, 2004-03-01 Since the inception of their discipline anthropologists have studied virtually every conceivable aspect of other peoples morality religion social control sin virtue evil duty purity and pollution But what of the examination of anthropology itself and of its agendas epistemes theories and praxes In 1991 Raymond Firth spoke of social anthropology as an essentially moral discipline Is such a view outmoded in a postmodern era Do anthropological ethics have to be re thought each generation as the conditions of the discipline change and as choices collide with moral alternatives The Ethics of Anthropology looks at some of these crucial issues as they reflect on researcher relations privacy authority secrecy and ownership of knowledge The book combines theoretical papers and case studies from eminent scholars including Lisette Josephides Steven Nugent Marilyn Silverman Andrew Spiegel and Veronica Strang Showing how the topic of ethics goes to the heart of anthropology it raises the

controversial question of why and for whom the anthropological discipline functions *A Companion to Moral Anthropology* Didier Fassin, 2015-01-20 *A Companion to Moral Anthropology* is the first collective consideration of the anthropological dimensions of morals morality and ethics Original essays by international experts explore the various currents approaches and issues in this important new discipline examining topics such as the ethnography of moralities the study of moral subjectivities and the exploration of moral economies Investigates the central legacies of moral anthropology the formation of moral facts and values the context of local moralities and the frontiers between moralities politics humanitarianism Features contributions from pioneers in the field of moral anthropology as well as international experts in related fields such as moral philosophy moral psychology evolutionary biology and neuroethics **The Journal of the Royal Anthropological Institute** , 2003 Articles on all aspects of anthropology **Expanding American Anthropology, 1945-1980** Alice Beck Kehoe, Paul L. Doughty, 2012-01-06 This book examines American anthropology's participation in the expansion of the social sciences after World War II Anthropology itself expanded into diverse subfields at this time on the initiative of individuals The Association of Senior Anthropologists of the American Anthropological Association AAA asks some of these individuals to give accounts of their personal innovations in this discipline which provides primary source material on the history of American anthropology Anthropology , **Nationalism, Politics and Anthropology** Ilana van Wyk, Jimmy Pieterse, 2022-02-28 In this book Ilana van Wyk and Jimmy Pieterse interrogate the question of political subjectivity and its role in the making of anthropology and anthropologists by revisiting the pitched battles between so called liberal social anthropologists and conservative nationalist volkekundiges in South Africa They pay particular attention to the social and cultural lives of two men who were central proponents of South African anthropology's two tales Kees van der Waal a former volkekundige and John Sharp once one of volkekunde's fiercest critics Through a series of conversations with Kees and John they show that the issues that once divided a local field still animate the ways in which centres and peripheries of global anthropology relate to one another and to foundational questions about the discipline's epistemology and political positionality *The Meanings of Macho* Matthew C. Gutmann, 2007 Praise for the first edition Gutmann has done the hitherto seemingly unthinkable A wholly other vision of Mexican gender relations emerges Jos Lim n American Anthropologist This book does for the study of men what two generations of feminist anthropologists have done for the study of women Lynn Stephen author of *Zapotec Women* A Companion to the Anthropology of the Body and Embodiment Frances E. Mascia-Lees, 2011-03-29 *A Companion to the Anthropology of the Body and Embodiment* offers original essays that examine historical and contemporary approaches to conceptualizations of the body In this ground breaking work on the body and embodiment the latest scholarship from anthropology and related social science fields is presented providing new insights on body politics and the experience of the body Original chapters cover historical and contemporary approaches and highlight new research frameworks Reflects the increasing importance of embodiment and its ethnographic contexts within

anthropology Highlights the increasing emphasis on examining the production of scientific technological and medical expertise in studying bodies and embodiment **Scholars at War** Geoffrey G. Gray,Doug Munro,Christine Winter,2012-01-01 SCHOLARS AT WAR is the first scholarly publication to examine the effect World War II had on the careers of Australasian social scientists It links a group of scholars through geography transnational national and personal scholarly networks and shared intellectual traditions explores their use and contextualizes their experiences and contributions within wider examinations of the role of intellectuals in war SCHOLARS AT WAR is structured around historical portraits of individual Australasian social scientists They are not a tight group rather a cohort of scholars serendipitously involved in and affected by war who share a point of origin Analyzing practitioners of the social sciences during war brings to the fore specific networks beliefs and institutions that transcend politically defined spaces Individual lives help us to make sense of the historical process helping us illuminate particular events and the larger cultural social and even political processes of a moment in time Public Anthropology Edward J. Hecican,2016-03-02 Contemporary anthropology has changed drastically in the new millennium expanding beyond the anachronistic study of primitive societies to confront the burning social economic and political challenges of the day In the process anthropologists often come face to face with issues that require them to take a public position issues such as race and tolerance health and well being food security reconciliation and public justice global terror and militarism and digital media This comprehensive but accessible book is both an interesting read and an excellent overview of public anthropology In depth case studies offer an opportunity to evaluate the pros and cons of engaging with public issues while profiles of select anthropologists ensure the book is contemporary but rooted in the history of the discipline **Popularizing Anthropology** Jeremy McClancy,Christian McDonaugh,2002-11 Popularizing Anthropology unearths a submerged tradition within anthropology and reveals that anthropologists have always looked beyond academic recognition *Children's Human Rights in the USA* Yvonne Vissing,2023-07-19 This book critically examines why a human rights framework would improve the wellbeing and status of young people It explores children s rights to provision protection and participation from human rights and clinical sociological perspectives and from historical to contemporary events It discusses how different ideologies have shaped the way we view children and their place in society and how despite the rhetoric of children s protection people under 18 years of age experience more poverty violence and oppression than other group in society The book points to the fact that the USA is the only member of the United Nations not to ratify a children s human rights treaty and the impact of this decision finds US children less healthy and less safe than children in other developed countries It shows how a rights respecting framework could be created to improve the lives of our youngest citizens and the future of democracy Authored by a renowned clinical sociologist and international human rights scholar this book is of interest to researchers students social workers and policymakers working in the area of children s wellbeing and human rights **The Anthropology of Africa: Challenges**

for the 21st Century Nkwi, Paul Nchoji, 2015-02-03 In 1999 August 30 September 2 the Pan African Anthropological Association PAAA marked the 10th anniversary of its creation by holding its 9th Annual Conference in Yaounde Cameroon the city and country of its birth The conference themed The Anthropology of Africa Challenges for the 21st Century was attended by some seventy participants mostly African Among the international participants was Dr Sydel Silverman President of the Wenner Gren Foundation at the time a long term partner of the PAAA she was present at the inaugural conference in 1988 The conference proceedings were initially published in 2000 with very limited circulation Given the continued relevance of the papers presented and in view of the call by the President of the PAAA for African anthropologists to reunite anthropological theory and practice in the teaching programmes of African universities the PAAA is pleased to republish the proceedings of its landmark 9th Annual Conference The book consists of forty three divided into eight parts namely i teaching anthropology in the decades ahead ii Health Challenges HIV AIDS Anthropological Perspectives iii NGOS Use and Misuse of Anthropology iv Anthropological Focus on Environment v Some Applied Issues in Anthropology vi The African Family in Crisis vii Ethnicity and Ethnic Conflicts and viii Population issues and anthropology Fertility Crisis Paul Nkwi concludes his introduction to the volume with these words The Anthropology of Africa will remain for a long time

Centering the Margins of Anthropology's History Regna Darnell, 2021-05 The series Histories of Anthropology Annual presents diverse perspectives on the discipline's history within a global context with a goal of increasing the awareness and use of historical approaches in teaching learning and conducting anthropology The series includes critical comparative analytical and narrative studies involving all aspects and subfields of anthropology Volume 14 Centering the Margins of Anthropology's History focuses on the conscious recognition of margins and suggests it is time to bring the margins to the center both in terms of a changing theoretical openness and a supporting body of scholarship if not to problematize the very dichotomy of center and margins itself The essays explore two major themes of anthropology's margins First anthropologists and historians have long sought out marginalized and forgotten ancestors arguing for their present day relevance and offering explanations for the lack of attention to their contributions to theory analysis methods and findings Second anthropologists and their historians have explored a range of genres to present their results in provocative and open ended formats This volume closes with an experimental essay that offers a dynamic multifaceted perspective that captures one of the dominant if sometimes marginalized voices in history of anthropology Steven O Murray's career developed at the institutional margins of several academic disciplines and activist discourses but his distinctive voice has been and will remain at the center of our history
