Moral and Religious Quotations from the Poets , 1861 **Day's Collacon: an Encyclopaedia of Prose Quotations** , 1884 **Lake of Fire - Hope for the Wicked One Day? - Essays in First Christianity** Jonathan Ramachandran, 2019-01-01 Christ Centered Universalism has been a Hope in First Christianity among the earliest orthodox Christians as testified even as late in St Augustine of Hippo s infamous quote in that even he didn t call them as heretics but soft hearted Christians who did not deny Holy Scripture A form of Christian Universalism by Origen of Alexandria may have been condemned by a later council For protestants please take note that both St Augustine and that later council consists of

members who Pray to Virgin Mary something which is absent from even Origen of Alexandria Therefore just because something is majority by later early Christianity it does not necessarily mean that it was First Christianity Doctrine In light of this we discuss various viewpoints quotes by Church Fathers and Ancient Christian Writings in support of this Hope Since the time lapse and loss of records to these First Christians being replaced by later Christianity is hard to trace or prove due to scarcity of evidences nevertheless we endeavour to present as much as we can including some rarely known quotes within Christian Universalism Hopefuls itself An example of a set of rare quotes which point to Christ Centered Universalism in this book which may not be popularly known is that by St Hillary of Poitiers the Champion of Trinity in the West and a set of interesting quotes likewise by St Ignatius of Antioch who was a direct disciple if St John the Apostle of Christ himself We see traces of such an understanding in a quote by St Justin Martyr toward the Wicked being made subject to obey God eventually as one child while St Ireneous of Lyons has a few interesting quotes especially those that relate to the Concept of Ages Aeons Olam to come where in a particular instance St Ireneus clearly shows that the strongest phrase ages of Ages refers to the subset ages out of a larger set of Ages implying limitedness Just like God of Abraham does not limit God to Abraham only the phrase God s Glory to the Age Aeon Olam singular need not limit God s Glory to one Age only but may be highlighting it for that Age unknown long time period We do not need to teach it as a 100% certain doctrine but we may hope for it as the Bible Verses can also be understood consistently to present this Hope in some Way One Day we will know and all things are possible with God Who Alone Decides Peace to you Every Christian's every-day book: or Selections for daily reading from the best Christian authors of all ages, by T.H.L. Talmage* Thomas De Witt Talmage,1875 **The God Who Hears** James Merritt,2024-03-05 Praying for God s Power in Your Times of Need Life s storms serve as sharp reminders of our profound need for God s strength But how do we pray when the trials we face bring us to our knees And how do we cry out to God when we don t know how to put our heart s trouble into words From author and pastor James Merritt The God Who Hears is a 40 day journey designed to help you seek the Lord in every circumstance Guiding you through the apostle Paul s prayers from prison Dr Merritt illuminates how these petitions and

praises provide a model for communicating with God today enabling you to draw nearer to him as you trust his perfect ability to meet your every need No matter the challenges you face The God Who Hears is an inspiring reminder of the power and privilege the Lord has given us through prayer Rooted in Scripture this encouraging devotional provides insightful teaching and practical takeaways equipping you to pray through hardship with clarity and confidence *How Christian Is Our Present Day Theology?* Franz Overbeck, 2005-06-21 This book is a translation of Overbeck's famous text *Ueber die Christlichkeit unserer heutigen Theologie* 1873 second edition 1903 together with an introduction and notes The complete original work is translated including the Introduction and Epilogue which incorporates some of Overbeck's late reflections on his friendship with Nietzsche and on theology The unique feature of this book is that it is the first translation into English of any substantial publication by Overbeck This is also the only work of a programmatic nature that Overbeck ever published on the vexed issue of theology's relationship to Christianity It raises questions about Christianity in the modern world and the role of theology within religion that still need to be answered As David Tracy has written Overbeck's friend Nietzsche used a hammer against theology Overbeck himself used a scalpel And Overbeck is finally the deeper challenge for theology This translation will make Overbeck's classic work available to a wider public and thus contribute to a better appreciation of his profound and still unanswered questions for contemporary Christianity Report of the Centenary Conference on the Protestant Missions of the World James Johnston (F.S.S.), 1889 Report of the Centenary Conference on the Protestant Missions of the World Johnston, 1888 **The Coming of the Son of Man to Judgment, and the Day of Judgment of the Son of Man, the Christian Era.
