Clare Map:

The Map Maker's Promise Catherine Law, 2024-08-16 beautifully written a perfect book Rachel Sweasey One night everything changed Air raid sirens wail across London and nineteen year old Clare takes her chances in the streets rather than heading to the office basement and risk being in the same vicinity as him the man who hurt her in the worst way possible and makes a decision that will haunt her for the rest of her life Over a year later and Clare is heartbroken to be saying goodbye to her newborn daughter Mirren Leaving her in the care of her sister in a remote and therefore safe house in The Highlands she heads back south to become a map maker for Bomber Command The work is tough and Clare struggles with having a direct hand in killing ordinary people Combined with the guilt for leaving her baby behind her dark thoughts could destroy her or make her stronger than ever A heart breaking tale of love loss and redemption this is a moving and poignant story of motherhood and the complexities of healing in the aftermath of war From the first line dripping with poignancy The Map Maker s Promise had me hooked Catherine Law s beautifully written tale of one woman s life intense pain and deep regret will stay with me for as long as the mist hovers over the Scottish Highlands A perfect book Rachel Sweasey I was completely enthralled I could not put this beautifully written book down and read it in one glorious sitting Such wonderful writing Such a compelling and haunting story And the descriptions The settings come alive and I absolutely lived every scene Renita D Silva Beautifully written and intensely emotional The Map Maker s Promise transports you to wartime London and the beauty of the Scottish Highlands I now really want to live in the last house on the Lochan Victoria Scott an engrossing often heartbreaking but entirely compelling story that I thoroughly enjoyed and one I d very much recommend to others Reader Review A beautifully written story which tugged at the heart strings Reader Review the ending is a masterclass in great storytelling Reader Review The Map Maker s Promise initially exhibits a lot of sadness and pain but it also evolves into a landscape of healing and hope Highly recommend 5 Stars Reader Review Praise for Catherine Law A beautifully written emotional absorbing story about love family and secrets I absolutely loved it Siobhan Daiko I was engrossed in this beautiful heartfelt story Characters to care about and a plot that kept me turning the pages Helen Parusel

Superintendent of Documents, 1986 The Clare Hart Thriller Series Margie Orford, 2015-07-06 In Like Clockwork a beautiful young woman is found murdered on Cape Town's Sea Point promenade and police profiler Dr Clare Hart is drawn into the web of a brutal serial killer As more bodies are discovered Clare is forced to revisit memories of the horrific rape of her twin sister and the gang ties that bind Cape Town's crime rings In Blood Rose Clare investigates a series of brutal murders in Walvis Bay Each death is a gruesome echo of the previous one the victims young homeless boys discarded in the seedy underworld of Namibia's fishing port a thousand miles north of Cape Town It's a hostile place awash with old grudges and new money but Tamar Damases the astute local cop who calls in Clare Hart refuses to let the boys' deaths go unpunished In Daddy's Girl the desperate search for a missing child whose chances of survival diminish with each hour unravels a web of deception and danger that puts all their lives at terrible risk In Gallow's Hill a dog scavenging in an illegal building site digs up a bone A human bone She drags it back to where her mistress lies dead in an abandoned shed but there are hundreds more skeletons which have lain undisturbed for centuries beneath Gallows Hill where Cape Town's notorious gibbets once stood In Water Music an emaciated child is found on an icy Cape mountainside and Clare Hart is baffled that no one has reported her missing Where does she come from who does she belong to In a race against time Clare battles to unravel the two cases and locate the missing Rosa As winter tightens its grip she is confronted by chilling secrets in a context where criminals act with increasing impunity and the police can no longer be trusted Amidst the frenzy of the investigation Clare must also bear a secret of her own **Catalogue of the Valuable Library of Dr. Thomas Willis, Senior ... to be Sold by Auction, by John Fleming Jones ... on Wednesday, 22nd Day of November, 1876, and Following Days, Etc** Dr. Thomas WILLIS, 1876 **Journal** Royal Society of Antiquaries of Ireland, 1867 *Michigan Geographic Names Information System Alphabetical List*, 1988 **Whispers in the Mist** Darcy

Coates,2020-07-07 The mist is full of evil things dark twisted beings that think only of their own hunger but Clare has clawed her way through She and Dorran are alive against all odds though relief is only temporary Dorran is sick and declining fast The only way to save him lies in the mysterious Evandale Research Station supposedly one of the few remaining places safe from the predators that lurk in the shadows But the station is a three days journey away and it s unlikely their small group can endure that long out in the dark Because the danger they re facing comes not only from the ravenous hollow ones but from each other This terrible new world has left scars and the people left behind in it are nearly unrecognizable As Clare fights to protect her ragtag family she begins to realize a horrible truth not everyone can be saved And sometimes the worst monsters wear a human smile
