

CLARINET FINGERING CHART

How To Read The Chart

● — Indicates hole closed,
or keys to be pressed.

○ — Indicates hole open.

When a number is given, refer to the picture of the Clarinet for additional key to be pressed.

When two notes are given together (F# and Gb), they are the same tone and, of course, played the same way.

When there are two fingerings given for a note, use the first one unless your teacher tells you otherwise.

The chart displays 24 notes across five staves, each with its fingering diagram. The notes are arranged in a chromatic scale, with some notes having multiple fingerings indicated by numbers 1 through 24.
