Clark Gable René Jordan,1974

Joan Crawford: The Essential Biography Lawrence J. Quirk, Joan Crawford *The Essential Biography* explores the life and career of one of Hollywood s great dames She was a leading film personality for more than fifty years from her beginnings as a dancer in silent films of the 1920s to her portrayals of working class shop girls in the Depression thirties to her Oscar winning performances in classic films such as *Mildred Pierce* Crawford s legacy has become somewhat tarnished in the wake of her daughter Christina s memoir *Mommie Dearest* which turned her into a national joke Today many picture Crawford only as a wire hanger wielding shrew rather than the personification of Hollywood glamour

This new biography of Crawford sets the record straight going beyond the gossip to find the truth about the legendary actress. The authors knew Crawford well and conducted scores of interviews with her and many of her friends and co-stars including Frank Capra, George Cukor, Nicholas Ray, and Sidney Greenstreet. Far from a whitewash, Crawford was indeed a colorful and difficult character. Joan Crawford corrects many lies and tells the story of one of Hollywood's most influential stars complete with on-set anecdotes and other movie lore. Through extensive interviews in depth analysis and evaluation of her films and performances both successes and failures, Lawrence J. Quirk and William Schoell present Crawford's story as both an appreciation and a reevaluation of her extraordinary life and career. Filled with new interviews, Joan Crawford tells the behind-the-scenes story of the Hollywood icon. Lawrence J. Quirk is the author of many books on film including *Bob Hope: The Road Well Traveled*. William Schoell is the author of several entertainment-related books including *Martini Man: The Life of Dean Martin*.

Clark Gable David Bret, 2008-10-28 From the acclaimed author of *Joan Crawford* comes a riveting and uncensored biography of Clark Gable. The archetypal male of his era, Gable was named King of Hollywood in 1938. But as David Bret reveals, the star was not quite who he seemed. One of Gable's best kept secrets was his bisexuality. Bret recounts Gable's failed marriages to women who turned a blind eye toward his affairs with actors Earl Larimore and Rod La Rocque among other men. Bret also reveals how a pseudo scandalous paternity suit and the actor's wartime accomplishments were no more than elaborate publicity stunts created by studio chief Louis B. Mayer in order to exaggerate Gable's masculinity and heroism in the public eye. With passion and accuracy, Bret uncovers the truth behind one of Hollywood's biggest stars. **The Complete Films of Clark Gable** Gabe Essoe, 1994
