Loyalty Eric Felten,2011-04-26 A witty provocative story filled inquiry into the indispensable virtue of loyalty a tricky ideal that gets tangled and compromised when loyalties collide as they inevitably do but a virtue the author a prizewinning columnist for *The Wall Street Journal* says is as essential as it is impossible Felten illustrates the push and pull of loyalties from the ancient Greeks to Facebook with stories and scenarios in which conflicting would be moral trump cards trap the unlucky in painful ethical dilemmas The foundation of our greatest satisfactions in life loyalty also proves to be the root of much misery Can we escape the excruciating predicaments when loyalties are at

loggerheads Can we avoid betraying and being betrayed When looking for love and friendship the things that make life worthwhile we are looking for loyalty Who can we count on And who can count on us These are the essential and uncomfortable questions loyalty poses Loyalty and betrayal are the stuff of the great stories that move us Agamemnon Huck Finn Brutus Antigone Judas When is loyalty right and when does the virtue become a vice As Felten writes in his thoughtful and entertaining book loyalty is vexing It forces us to choose who and what counts most in our lives from siding with one friend over another to favoring our own children over others It forces us to confront the conflicting claims of fidelity to country community company church and even ourselves Loyalty demands we make decisions that define who we are

British Miscalculations Isaiah Friedman, 2017-09-08 In the aftermath of World War I there was furious agitation throughout Islam against the dismemberment of the Ottoman Empire Coupled with the powerful effect of the principle of self determination British indifference to Muslim sentiments gave rise to militant nationalism in Islam which became de facto anti Western This detailed and convincing account describes British indecisiveness policy contradictions and how militant nationalism was aggravated by the Greek invasion of Smyrna and its ambition to create a Hellenic Empire in Anatolia with Britain's connivance Immediately after World War I there was a fair chance of mutual coexistence and good relations between Arabs and Jews in Palestine This possibility was nipped in the bud by the military administration 1918 1920 responsible for the anti Jewish riots in Jerusalem in April 1920 High Commissioner Herbert Samuel supported the Arab extremists in his misguided policy and complicated the situation further The appointment of Hajj Amin al Husseini to the exalted post of Grand Mufti of Jerusalem and subsequently to the presidency of the Supreme Moslem Council of the Palestinians proved fatal to Arab Jewish relations and to the possibility of peace As Friedman shows the British administration of Palestine bears a considerable share of responsibility for the Arab Zionist conflict in Palestine Against this diplomatic background Arab Jewish hostilities thrived with consequences that endure today

The Sociology of Loyalty James Connor, 2007-09-04 Specifically this book explains loyalties why we have them and what they do for us and society It also places loyalty into the study of emotions such as trust and shame By drawing on current theories and current and historical examples this book clearly establishes the components of loyalty and its place within the theories of emotion Additionally it develops the theoretical understanding of emotions by taking a previously ignored yet highly topical emotion and placing it within the theoretical perspective

The Mesopotamia Mess (Paperback) Jack Bernstein, 2008 The British invaded Mesopotamia now called Iraq in 1914 to protect their oil interests and they remained until 1958 Following are some quotes from the book The British cobbled three disparate vilayets Basra Baghdad and Mosul together to take full advantage of Iraq's strategic and economic potential To ensure this contrived nation remained intact and continued to do its bidding the British installed a ruler they could influence formulated a national level governmental structure to ensure its dominance and established a security apparatus dependent on its support Mesopotamia is inhabited solely by Arab tribes and the Arabs are

all Mohammedans The Mohammedans of the world are divided into two main sects by irreconcilable differences of religious opinion sects which in Mesopotamia have indulged in innumerable fearful contests for supremacy all of which have tended to sink the country further and further into moral ruin and material exhaustion Parliament seriously discussed evacuating Iraq and Sir Percy Cox High Commissioner in Iraq argued that British policy in Iraq was working would bear dividends great enough to justify its continuance and that if prematurely curtailed the result would be disastrous He also stated that a withdrawal would lead inevitably to anarchy The very first British action upon entering Basra was to establish public order in the city Looters had sacked the city British and Indian military police were patrolling the streets within hours of the British entry into Basra General Nixon stated that the troops he had with him were sufficient to enable him to inflict decisive defeat upon the Turks and to seize Baghdad but that in order to hold the city he would require reinforcements Ultimately Asquith's government failed to provide its forces in Iraq with the strategic guidance manpower and material means to achieve victory

Loyalty Sanford Levinson, Paul Woodruff, Joel Parker, 2013-05-10 Few topics are more ubiquitous in everyday life and at the same time more controversial in practice than that of one's moral obligation to loyalty. Featuring essays by scholars working in a variety of subjects from law to psychology, *Loyalty* presents diverse perspectives on dilemmas posed by potential conflicts between loyalties to specific institutions or professional roles and more universalistic conceptions of moral duty. The volume begins with a philosophical exploration of theories of loyalty both Eastern and Western, then moves to examine several problematic situations in which loyalty is often a factor: partisan politics, the armed forces, and lawyer-client relationships. A fair and balanced analysis from a wide range of disciplinary and normative viewpoints, *Loyalty* infuses new life into an oft-tread avenue of scholarly inquiry. Contributors: Ryan K. Balot, Paul O. Carrese, Yasmin Dawood, Bernard Gert, Kathleen M. Higgins, Sanford Levinson, Daniel Markovits, Lynn Mather, Russell Muirhead, Nancy Sherman, Paul Woodruff. Sanford Levinson is the W. St. John Garwood and W. St. John Garwood Jr. Centennial Chair in Law and Professor of Government at the University of Texas at Austin and author or co-author of many books including *Framed: America's 51 Constitutions* and *The Crisis of Governance and Our Undemocratic Constitution: Where the Constitution Goes Wrong and How We, the People, Can Correct It*. Paul Woodruff is former dean of the School of Undergraduate Studies and currently Darrell K. Royal Professor in Ethics and American Society at the University of Texas at Austin. His latest book is *The Ajax Dilemma: Justice, Fairness, and Rewards*. Joel Parker is Lecturer in the Department of Political Science and Geography at the University of Texas at San Antonio.

Transloyalties, Connected Histories and World Christianity during the Period of Decolonization and the Cold War Frieder Ludwig, Ellen Veä Rosnes, Joar Haga, Marina Xiaojing Wang, Jairzinho Lopes

Pereira, 2025-06-30 Focusing on the history of World Christianity this book relates the concept of transloyalties to developments during the Period of Decolonization and the Cold War This was a time when the terms loyal and loyalty became more frequently used not only in the United States where a loyalty program was introduced but also in Africa Asia and Europe Churches and ecumenical organizations had to navigate in this context of new loyalty demands They had to clarify whether changes in church state relations and corresponding changes in their organizational structures were necessary or whether they affected core identities Was the restriction or exclusion of Western missionaries a threat to the universal character of the church or a transition to self governing churches How did African and Asian churches relate to Western mission societies in the new context Was the strive for justice a basis for cooperation with socialist governments or were the concepts fundamentally different How were denominations organized at a national level Which forms of church government were chosen Which denominations could become members of Christian Councils that represented joint interests toward the states These are some of the questions that underlie the importance of this volume to the study of the history of World Christianity

Clash Of Loyalties Introduction

In today's digital age, the availability of Clash Of Loyalties books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Clash Of Loyalties books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Clash Of Loyalties books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Clash Of Loyalties versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Clash Of Loyalties books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Clash Of Loyalties books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Clash Of Loyalties books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of

America, which provides a vast collection of digitized books and historical documents. In conclusion, Clash Of Loyalties books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Clash Of Loyalties books and manuals for download and embark on your journey of knowledge?
