Beresford Egan Adrian Woodhouse, Portsmouth City Museum and Art Gallery (Portsmouth, England), Beresford Egan, Royal National Theatre (Great Britain), 1979 *Beresford Egan* Paul Allen, 1966 **Beresford Egan's Epitaph. A Double-bedside Book for Singular People. [With Illustrations and a Portrait.]**. Beresford EGAN, 1943 Beresford Egan's Epitaph., Beresford Patrick Egan, 1943 **Literature and the Politics of Post-Victorian Decadence** Kristin Mahoney, 2015-06-09 In Literature and the Politics of Post Victorian Decadence Kristin Mahoney argues that the early twentieth century was a period in which the specters of the fin de siècle exercised a remarkable draw on the modern cultural imagination and troubled emergent avant gardistes These authors and artists refused to assimilate to the aesthetic and political ethos of the era representing themselves instead as time travelers from the previous century for whom twentieth century modernity was both baffling and disappointing However they did not turn entirely from the modern moment but rather relied on decadent strategies to participate in conversations concerning the most highly vexed issues of the period including war the rise of the Labour Party the question of women's sexual freedom and changing conceptions of sexual and gender identities **Beautiful Bottom, Beautiful Shame** Kathryn Bond Stockton, 2006-07-19 DIVThe relationship between black queer subjects and debasement as portrayed within popular culture texts and films div **Radclyffe Hall** Richard Dellamora, 2011-05-31 The Well of Loneliness is probably the most famous lesbian novel ever written and certainly the most widely read It contains no explicit sex scenes yet in 1928 the year in which the novel was published it was deemed obscene in a British court of law for its defense of sexual inversion and was forbidden for sale or import into England Its author Radclyffe Hall was already well known as a writer and West End celebrity but the fame and notoriety of that one book has all but eclipsed a literary output of some half dozen other novels and several volumes of poetry In Radclyffe Hall A Life in the Writing Richard Dellamora offers the first full look at the entire range of Hall's published and unpublished works of fiction poetry and autobiography and reads through them to demonstrate how she continually played with the details of her own life to help fashion her own identity as well as to bring into existence a public lesbian culture Along the way Dellamora revises many of the truisms about Hall that had their origins in the memoirs of her long term partner Una Troubridge and that have found an afterlife in the writings of Hall's biographers In detailing Hall's explorations of the self Dellamora is the first seriously to consider their contexts in Freudian psychoanalysis as understood in England in the 1920s As important he uncovers Hall's involvement with other modes of speculative psychology including Spiritualism Theosophy and an eclectic brand of Christian and Buddhist mysticism Dellamora's Hall is a woman of complex accommodations able to reconcile her marriage to Troubridge with her passionate affairs with other women and her experimental approach to gender and sexuality with her conservative politics and Catholicism She is above all a thinker continually inventive about the connections between selfhood and desire a figure who has much to contribute to our own efforts to understand transgendered and transsexual
