Berliner Aufklaarung:

The Struggle for the Streets of Berlin Molly Loberg, 2018-03-29 Who owns the street Interwar Berliners faced this question with great hope yet devastating consequences In Germany the First World War and 1918 Revolution transformed the city streets into the most important media for politics and commerce There partisans and entrepreneurs fought for the attention of crowds with posters illuminated advertisements parades traffic jams and violence The Nazi Party relied on how people already experienced the city to stage aggressive political theater including the April Boycott and Kristallnacht Observers in Germany and abroad looked to Berlin s streets to predict the future They saw dazzling window displays that radiated optimism They also witnessed crime waves antisemitic rioting and failed policing that pointed toward societal collapse Recognizing the power of urban space officials pursued increasingly radical policies to revitalize the city culminating in Albert Speer s plan to eradicate the heart of Berlin and build Germania

Berlin Teufelsberg Behling Klaus, Andreas Jüttemann, 2012-09-12 Rising to 115 metres Berlin s Teufelsberg is not only one of Berlin s highest points but also a place steeped in history Berlin s university headquarters were to be based here under National Socialism after the war it became the largest depot for post war rubble and later the winter sports climbing and wine making centre of the city A radar station was built on Teufelsberg and the Western allies listened in to the East from the top The equipment has been abandoned since 1992 and Teufelsberg has succumb to vandalism and decay No use has been found for the area despite numerous plans and attempts This lost place in the inner city districts of Charlottenburg Wilmersdorf has become a place of myths This book tells the true story Excerpt The plans for the athletic development of the mountain had however always been public and once again demonstrated Berliners were never shy about offering a stage even to basically meaningless things Even the rubble of their destroyed city could be put to good use But what does a real mountain need First of all one should be able to ski there in the winter and children should be able to ride sleighs

The Blockade Breakers Helena Schrader, 2010 On 24 June 1948 the Soviet Union abruptly closed all land and water access to the Western Sectors of Berlin Over 2 million civilians dependent on the surrounding territory and the West for food fuel and other basic goods were suddenly cut off from all necessities of life The Western Allies had the option of withdrawing their garrisons and allowing the Soviet Union to take control of the entire of city or of trying to supply the city by air Never in history had 2 million people been supplied exclusively by air before None of senior military commanders believed it could be done But the political leadership in London and Washington insisted that it must be done So the largest and most ambitious Airlift in history was set in motion It began without the West really knowing what the Berliners needed in order to survive much less how much those supplies weighed It was launched despite an almost complete absence of aircraft and aircrew resources in Germany and despite the serious

inadequacies in airfields and air traffic control It was launched without airlift expertise in theatre or a unified command structure But once it was taken wing it flew and turned into something that not even its originators and advocates had ever imagined or expected **Berliner Gedenkstätten - 1933 bis 1945** - Hans Maur,1998 *Die Berliner Krise 1948/49* Gerhard Keiderling,1982 **Berlin, Hostage for the West** John Mander,1979-12-28 What is the real purpose of Soviet pressure on Berlin Why has it been the scene of crisis after crisis ever since the Declaration of 1945 Mander reviews the events in Berlin over the past 17 years to illuminate the many faces of this intractable situation **The Unheralded** Edwin Gere,2004-08-01 In June 1948 the Soviet Union cruelly imposed a total blockade on Berlin's western sectors forcing the United States and Great Britain to mount a gigantic airlift to keep the city alive Through personal stories of those who were there in this greatest humanitarian undertaking in modern history The Unheralded paints a vivid picture of what the Berlin blockade and airlift were really like Zwangsarbeit in Berlin 1938-1945 Helmut Bräutigam,2003 Weitere Angaben Inhalt Allein in Berlin mussten mehr als 400 000 Menschen aus über 20 Nationen Zwangsarbeit leisten Nahezu alle Unternehmen darunter neben Konzernen wie Siemens und Daimler Benz auch Handwerks und Landwirtschaftsbetriebe kommunale und staatliche Unternehmen wie Stadtreinigung und Reichsbahn selbst Privathaushalte beschäftigten in der Zeit von 1938 1945 Zwangsarbeiterinnen und Zwangsarbeiter Der reich bebilderte Band vereint Forschungsergebnisse die im Zusammenhang mit den Ausstellungen des Arbeitskreises Berliner Regionalmuseen zur Zwangsarbeit in Berlin 1938 1945 entstanden sind *Berlin* Berlin (Germany : West).
