Gorodetsky,2015-09-24 The terror and purges of Stalin s Russia in the 1930s discouraged Soviet officials from leaving documentary records let alone keeping personal diaries A remarkable exception is the unique diary assiduously kept by Ivan Maisky the Soviet ambassador to London between 1932 and 1943 This selection from Maisky s diary never before published in English grippingly documents Britain s drift to war during the 1930s appeasement in the Munich era negotiations leading to the signature of the Ribbentrop Molotov Pact Churchill s rise to power the German invasion of Russia and the intense debate over the opening of the second front Maisky was distinguished by his great sociability and access to the key players in British public life Among his range of regular contacts were politicians including Churchill Chamberlain Eden and Halifax press barons Beaverbrook ambassadors Joseph Kennedy intellectuals Keynes Sidney and Beatrice Webb writers George Bernard Shaw H G Wells and indeed royalty His diary further reveals the role personal rivalries within the Kremlin played in the formulation of Soviet policy at the time Scrupulously edited and checked against a vast range of Russian and Western archival evidence this extraordinary narrative diary offers a fascinating revision of the events surrounding the Second World War      Malvern in 50 Buildings Paul Harris,2025-08-15 Explore the rich history of Malvern in this guided tour through its

director to work in the West End and on Broadway Dymia was the first Chinese woman in Britain to publish a fictional autobiography in English Diana Yeh traces the Hsiungs lives from their childhood in Qing dynasty China and youth amid the radical May Fourth era to Britain and the USA where they rubbed shoulders with George Bernard Shaw James M Barrie H G Wells Pearl Buck Lin Yutang Anna May Wong and Paul Robeson In recounting the Hsiungs rise to fame Yeh focuses on the challenges they faced in becoming accepted as modern subjects as knowledge of China and the Chinese was persistently framed by colonial legacies and Orientalist discourses which often determined how their works were shaped and understood She also shows how Shih I and Dymia in negotiating acceptance performed not only specific forms of Chineseness but identities that conformed to modern ideals of class gender and sexuality defined by the heteronormative nuclear family Though f ted as The Happy Hsiungs their lives ultimately highlight a bitter struggle in attempts to become modern In the 1930s China became briefly fashionable again after decades of Fu Manchu style demonising This switch coincided with the rise of anti fascism in the West and a new visibility of Chinese art In a path breaking contribution to the study of artistic production by British Chinese Yeh recovers the Hsiungs forgotten history their role in this new China wave and their struggle against hostile stereotyping Shedding light on a history few can have expected the book shows high narrative skill and the author s strong empathetic imagination brings everything to life Gregor Benton author of Chinese Migrants and Internationalism and The Chinese in Britain Through the riveting story of a successful couple of British Chinese artists the Hsiungs this book contributes to our understanding of the real struggles involved in the acceptance of Chineseness not as a fixed identity governed by unchanging tradition as Western Orientalism would have it but as a resolutely modern performative invention shaped by a confluence of globally circulating hybrid ideas concepts and images Ien Ang author of On Not Speaking Chinese Living Between Asia and the West Thanks to the phenomenal success of his play Lady Precious Stream Shih I Hsiung was a household name in the US and UK during the 1930s Diana Yeh explores the Hsiungs role in representing China and Chineseness to the rest of the world forcing us to rethink our vision of the British Chinese as invisible and insular with little social cultural or political impact on wider society Anne Witchard author of Lao She in London and Thomas Burke s Dark Chinoiserie The story of Shih I and Dymia Hsiung fills a gap in our understanding of the Chinese experience in England and highlights how very different it is from that in America Yeh does a remarkable job in unravelling the relationship between the Hsiungs the couple who landed in London in the 1930s and the Hsiungs as personas constructs designed to suit as well as to subvert British tastes for and preconceptions of Chineseness Ronald Egan Professor of East Asian Languages and Cultures Stanford University *Mother of Invention* Bridget Gillard,2025-03-15 The story of an impoverished and illegitimate woman who founded her own unconventional but successful religious community based on pacifism social justice and a respect for the environment Henry Irving Richard Foulkes,2017-11-30 Henry Irving 1838 1905 the first actor to be knighted dominated the theatre in Britain and beyond for over a quarter of a century As an actor he was strikingly different

with his idiosyncratic pronunciation his somewhat ungainly physique and his brilliant psychological portrayals of virtue and villainy As a director of spectacular and commercially driven entertainments Irving anticipated Hollywood directors from D W Griffith to Stephen Spielberg And as manager of the Lyceum Theatre where audiences included the leading public figures of the day he controlled every aspect of the performance This collection of essays by leading theatre scholars explores each element of Irving s art his acting his contribution to the plays he commissioned his flair for the stage picture and his ear for incidental music Like Wagner Irving was a proponent of a holistic approach to the stage that is blending together acting painting music and architecture to create harmonious balanced and artistic theatre Irving emerges not only as the peer of such eminent contemporaries as Tennyson Sullivan Shaw and Burne Jones but also as a powerful influence on the twentieth century theatre
