Treasury of Tips and Tricks Leisure Arts,2005 Treasury of Tips Tricks More than 650 paper crafting and rubber stamp projects for beginners and advanced paper crafters **Lewis Carroll's Alice's Adventures in Wonderland and Through the Looking-Glass** Zoe Jaques,Eugene Giddens,2016-05-06 Emerging in several different versions during the author s lifetime Lewis Carroll s Alice novels have a publishing history almost as magical and mysterious as the stories themselves Zoe Jaques and Eugene Giddens offer a detailed and nuanced account of the initial publication of Alice s Adventures in Wonderland and Through the Looking Glass and investigate how their subsequent transformations through print illustration film song music videos and even stamp cases and biscuit tins affected the reception of these childhood favourites The authors consider issues related to the orality of the original tale and its impact on subsequent transmission the differences between the manuscripts and printed editions and the politics of writing and publishing for children in the 1860s In addition they take account of Carroll s own responses to the books popularity including his writing of major adaptations and a significant body

of meta textual commentary and his reactions to the staging of Alice in Wonderland Attentive to the child reader how changing notions of childhood identity and needs affected shifting narratives of the story and the representation of the child's body by various illustrators the authors also make a significant contribution to childhood studies **Packrat: A Tale of Compulsive Hoarding** Tom Hixson, 2010-10-01 Robert Campbell started collecting a wide variety of objects as a youth but hoarding eventually took over his life when he died in 2005 he left behind a hoard of over 140 tons of mostly worthless debris This book documents the progression of the disorder and examines symptoms causes and potential solutions to this growing problem *Michigan Living*, 1987 **American Holiday Postcards, 1905-1915** Daniel Gifford, 2013-08-29 In the early 20th century postcards were one of the most important and popular expressions of holiday sentiment in American culture Millions of such postcards circulated among networks of community and kin as part of a larger American postcard craze However their uses and meanings were far from universal This book argues that holiday postcards circulated primarily among rural and small town Northern white women with Anglo Saxon and Germanic heritages Through analysis of a broad range of sources Daniel Gifford recreates the history of postcards to account for these specific audiences and reconsiders the postcard phenomenon as an image based conversation among exclusive groups of Americans A variety of narratives are thus revealed the debates generated by the Country Life Movement the empowering manifestations of the New Woman the civic privileges of whiteness and the role of emerging technologies From Santa Claus to Easter bunnies flag waving turkeys to gun toting cupids holiday postcards at first seem to be amusing expressions of a halcyon past Yet with knowledge of audience and historical conflicts this book demonstrates how the postcard images reveal deep divides at the height of the Progressive Era

Scented Visions Christina Bradstreet, 2022-06-29 Smell loomed large in cultural discourse in the late nineteenth century thanks to the midcentury fear of miasma the drive for sanitation reform and the rise in artificial perfumery Meanwhile the science of olfaction remained largely mysterious prompting an impulse to see smell and inspiring some artists to picture scent in order to better know and control it This book recovers the substantive role of the olfactory in Pre Raphaelite art and Aestheticism Christina Bradstreet examines the iconography and symbolism of scent in nineteenth century art and visual culture Fragrant imagery in the work of John Everett Millais Dante Gabriel Rossetti Simeon Solomon George Frederic Watts Edward Burne Jones and others set the trend for the preoccupation with scent that informed swaths of British European and American art and design Bradstreet's rich analyses of paintings perfume posters and other works of visual culture demonstrate how artworks mirrored the period nose and intersected with the most clamorous debates of the day including evolution civilization race urban morality mental health faith and the woman question Beautifully illustrated and grounded in current practices in sensory history **Scented Visions** presents both fresh readings of major works of art and a deeper understanding of the cultural history of nineteenth century scent **Hannahwhere** John McIlveen, In a suburb on Boston's North Shore a catatonic little girl is found behind a dumpster She is a mystery As Social Worker Debbie Gillan pieces

together the puzzle of the child's identity she discovers the child had disappeared two years earlier along with a twin sister. She also discovers HANNAHWHERE, an alternate world that is both a haven and a prison. Life-altering trauma becomes the key to unraveling the truth about the children, about Hannahwhere and about Debbie herself. Truths that could either save them or destroy them all. HANNAHWHERE is a revelation. This constantly surprising novel has some very dark moments, but John McIlveen's clean, clear prose carries you through them and back into the light of the good, decent people who fuel this story with their desperate efforts to do the right thing. Hannah herself is a joy. If she were up for adoption, I'd be the first in line. F. Paul Wilson, New York Times bestselling author of *COLD CITY*. HANNAHWHERE by John McIlveen is everything a book should be filled with: unforgettable characters, fast-paced and a page-turner. I loved it. Heather Graham, New York Times bestselling author of *LET THE DEAD SLEEP*. From the very first line of HANNAHWHERE, you know you're in good hands. John McIlveen raises a compelling new voice with a story that is at once playful and frightening, thrilling and heartbreaking. Highly recommended. Jonathan Maberry, New York Times bestselling author of *ROT RUIN* and *FIRE ASH*. John McIlveen's HANNAHWHERE is a thrilling, emotionally complex paranormal mystery. The little girls at the center of the story will touch your heart and unsettle you all at the same time. A wonderful first novel from an exciting new voice in genre fiction. Christopher Golden, New York Times bestselling author of *SNOWBLIND*. Love it, love it, LOVE IT! Rick Hautala, bestselling author of *THE DEMON'S WIFE*. **Catalogue of Copyright Entries**, 1914 *The Independent*, 1909-07 **Official Gazette of the United States Patent and Trademark Office**, 2004
