

The cows and the lions

Five cows lived in a little forest. They ate fresh grass in a large green meadow. They were kind friends. They decided to do everything together, so the lions couldn't attack them for food.

One day, the five cows fought and each one started to eat grass in a different place. The lions decided to seize the opportunity and killed them one by one.

The Best Short Stories of 1921 Edward J. O'Brien,2016-09-09 I was talking the other day to Alfred Coppard who has steered more successfully than most English story writers away from the Scylla and Charybdis of the modern artist He told me that he had been reading several new novels and volumes of short stories by contemporary American writers with that awakened interest in the civilization we are framing which is so noticeable among English writers during the past three years He asked me a remarkable question and the answer which I gave him suggested certain contrasts which seemed to me of basic importance for us all He said I have been reading books by Sherwood Anderson Waldo Frank and Ben Hecht and Konrad Bercovici and Joseph Hergesheimer and I can see that they are important books but I feel that the essential point to which all this newly awakened literary consciousness is tending has somehow subtly eluded me American and English writers both use the same language and so do Scotch and Irish writers but I am not puzzled when I read Scotch and Irish books as I am when I read these new American books Why is it
