**The Best Ghost Stories** Various, This relation is matter of fact and attended with such circumstances as may induce any reasonable man to believe it It was sent by a gentleman a justice of peace at Maidstone in Kent and a very intelligent person to his friend in London as it is here worded which discourse is attested by a very sober and understanding gentlewoman a kinswoman of the said gentleman s who lives in Canterbury within a few doors of the house in which the within named Mrs Bargrave lives who believes his kinswoman to be of so discerning a spirit as not to be put upon by any fallacy and who positively assured him that the whole matter as it is related and laid down is really true and what she herself had in the same words as near as may be from Mrs Bargrave s own mouth who she knows had no reason to invent and publish such a story or any design to forge and tell a lie being a woman of much honesty and virtue and her whole life a course as it were of piety The use which we ought to make of it is to consider that there is a life to come after this and a just God who will retribute to every one according to the deeds done in the body and therefore to reflect upon our past course of life we have led in the world that our time is short and uncertain and that if we would escape the punishment of the ungodly and receive the reward of the righteous which is the laying hold of eternal life we ought for the time to come to return to God by a speedy repentance ceasing to do evil and learning to do well to seek after God early if happily He may be found of us and lead such lives for the future as may be well pleasing in His sight
