,2010-08-31 Collected here are translations into English of six classic stories from colonial Korea 1910 1945 as well as the time of liberation 1945 1948 Each piece takes a different perspective on a defining process in Korean history the colonization and modernization under Japanese rule The volume demonstrates the rich variety of registers settings styles and thematic concerns that characterized the literary production of early modern Korea The editor's introduction places the collection in the context of modern Korean literary history and short biographies precede each story In its judicious selection of classic texts *On the Eve of the Uprising and Other Stories from Colonial Korea* offers an unprecedented opportunity to explore the intellectual complexity and artistic richness of colonial Korean literature *Being Bilingual in Borinquen* Alicia Pousada, 2017-06-20 The Spanish speaking island of Puerto Rico also known as Borinquen has had a complex linguistic landscape since 1898 due to the United States colonial imposition of English as the language of administration and education Even after 1948 when Puerto Rico was finally permitted to hold its own gubernatorial elections and determine its own language policies controversy regarding how best to achieve bilingualism continued Despite many studies of the language dynamic of the island the voices of the people who actually live there have been muted This volume opens with a basic introduction to bilingualism with special reference to Puerto Rico It then showcases twenty five engaging personal histories written by Puerto Rican language professionals which reveal how they became bilingual the obstacles faced the benefits accrued and the linguistic and cultural future they envision for themselves and their children The closing chapter analyzes the commonalities of their richly detailed stories as well as the variability of their bilingual life experiences in order to inform a more nuanced language policy for Puerto Rico The linguistic autobiographies will resonate with bilinguals of all kinds in Puerto Rico and the Caribbean as well as those in other countries The main message that emerges from the book is that there are many routes to multilingualism and one size fits all language policies are doomed to miss their mark **The Best Mistake Mystery** Sylvia McNicoll, 2017-01-07 Some people count their blessings but dogwalker Stephen Nobel counts mistakes Dogwalker extraordinaire Stephen Nobel can get a little anxious but his habit of counting the mistakes he and everyone else makes calms him His need to analyze gets kicked into hyperdrive after two crazy events happen in one day at school the bomb squad blows up a backpack and someone smashes a car into the building To make things worse that someone thinks Stephen can identify them Stephen receives a threatening text If he goes to the police his favourite dogs Ping and Pong will get hurt The pressure mounts when his new best friend Rene begs for Stephen's help Her brother has been charged with the crimes and she wants to clear his name Is it a mistake to give in to dognappers How can he possibly save everybody To find out Stephen will have to count on all of his new friends CCBC's Best Books for Kids Teens Fall 2017 Selection **Ever After Series (Books 1-6)** Lea Coll, 2023-12-07 Feel My Love As a wedding photographer I get to witness the magic the romance and the fairy tale without getting close enough for it to ever sting me again Until Nick I broke my
