**The best of Damon Runyon** Damon (Schriftsteller) Runyon, 1966      The Best of Damon Runyon Edmund Clerihew Bentley, 1943      *Encyclopedia of American Humorists* Steven H. Gale, 2016-04-14 First published in 1988 this book contains entries on famous American Humorists Humor has been present in American literature from the beginning and has developed characteristics that reflect the American character both regional and national Although American literature was in the past treated as inferior to British literature there has always been a large popular audience for the genre which this book shows The figures with entries in this encyclopedia not only amuse in their writing but also aim to enlighten setting out to expose the foibles and foolishness of society and the individuals who compose it It is the manner in which these authors try to accomplish this end that determines whether they appear in the volume Indeed the book will demonstrate that the best humor has at its base a ready understanding of human nature      **Betting the Line** Richard O. Davies, Richard G.

Abram, 2001 A study of gambling particularly sports gambling and how it has thrived in American culture According to Davies and Abram the culture of betting results from two complementary influences in American society risk taking and speculation This is the first effort by academic writers to describe and interpret the history of sports wagering in the United States Although many books have been written about 3how to bet and win 4 Betting the Line presents a serious history of this popular activity in Colonial and Civil War eras to today from early betting on horse racing and baseball to the modern venues of basketball and football By considering topics as diverse as the business of a bookie the expansion of legalized gambling and the increase in popularity of televised sports the authors offer readers an insightful look into a practice that has become commonplace in American popular culture In a mere seventy years the number of states where gambling is legal jumped from one to forty eight Yet Nevada remains the only state where sports betting is legal This book challenges many long standing myths and stereotypes that revolve around the enterprise arguing that sports gambling is reflective of the American free enterprise culture      *The Damon Runyon Story* Edward Horace Weiner, 1948      The World of Damon Runyon Tom

Copyright Office,1969     *Boxing's Greatest Fighters* Bert Randolph Sugar,2006-01-01 Easily the most enduring of all sports questions is Who was is the best Perhaps in no sport is the question more asked and argued over than in boxing And in boxing perhaps none is more qualified to answer the question than Bert Randolph Sugar In *Boxing's Greatest Fighters* not only does the former publisher of Ring Magazine tell us who the best fighters were he lists them in order Could Sugar Ray Robinson have beaten Muhammad Ali Could Sugar Ray Leonard have beaten Sonny Liston The answer most experts agree would be no But what if as Bert Sugar has done here one were to take all the boxers and reduce them in the mind's eye to the same height the same weight and the same ring conditions The answers would be quite different And while some fans may express outrage that Rocky Marciano barely makes the top twenty and Marvin Hagler staggers into the top seventy five others will nod eagerly when they read that Harry Greb and Benny Leonard were better than just about anybody So whether you read *Boxing's Greatest Fighters* cover to cover pick your favorites at random or simply browse through the many rare photographs at the bell come out arguing     *The National Union Catalog, Pre-1956 Imprints* ,1968
