Lord of the Bands Deslexiea, 2011-04 **The Dangerous Dream** Paul W. Silver, 2010-07-14 Typhoon earthquake explosion upheaval are words connoting waste and destruction to be sure But remember there is a creative aspect to catastrophe which sweeps away the old and prepares the way for the new Be that as it may in describing the presidency of Duffy Artois the word revolution is simply inadequate Firestorm might be a word used by members of the two party machine

that governed America before Artois But in truth no single word suffices Only a bookful of words might hope to capture the visionary reel of the Artois era Hence *The Dangerous Dream* We can discover no writing nor record that predicted greatness for the ambitious and popular boy growing up in Los Angeles growing first into a passable scholar then into a criminal attorney into a prosecutor a district attorney and climactically in 1998 into the California governor s mansion Young Duffy Artois seemed destined merely for worldly success In 2002 as California governor Artois bravely took all the blame for an abyssal budget deficit even though there was plenty of blame to go around After one 4 year term he was narrowly defeated for reelection For the next 5 years he was content to work behind the scenes as a consultant speechwriter campaign manager He was content to be invisible All the while in the privacy of his heart a critical mass was smoldering Historians may quibble about whether the catharsis began during his term as governor or afterward There is no quibble about the historical fact that by 2007 the year a man named Skipper came along and lighted the fuse Artois had morphed into a walking talking megaton bomb

The Great Filipino Dream Immanuel J. DePedro,1996

Dream of the Red Chamber Riccardo Moratto,Kanglong Liu,Di-kai Chao,2022-12-15 This edited volume contains an excellent collection of contributions and presents various informative topics under the central theme literary and translation approaches to China s greatest classical novel Honglouloumeng Acclaimed as one of the Four Great Classical Novels of Chinese literature Honglouloumeng known in English as *The Dream of the Red Chamber* or *The Story of the Stone* epitomizes 18th century Chinese social and cultural life Owing to its kaleidoscopic description of Chinese life and culture the novel has also exerted a significant impact on world literature Its various translations either full length or abridged have been widely read by an international audience The contributors to this volume provide a renewed perspective into Honglouloumeng studies by bringing together scholarship in the fields of literary and translation studies Specifically the use of corpora in the framework

of digital humanities in a number of chapters helps re address many issues of the novel and its translations from an innovative angle The book is an insightful resource for both scholars of Chinese literature and for linguists with a focus on translation studies The Great Filipino Dream'2000 Ed. ,2000 **Against Catastrophism** Cosimo Schinaia,2025-04-09 Against Catastrophism explores catastrophism from multiple vantage points and considers the impact of ongoing crisis on individuals Bringing together contributors from psychoanalysis economics anthropology and gastroenterology this book explores themes including fossil fuel culture social movements like Extinction Rebellion the COVID 19 pandemic media messaging and the future of food supply chains By assessing the value of a constant barrage of information about catastrophes and considering the need for a containing environment the chapters explore how we can avoid endorsing a closed off vision of the future and instead unlock possibilities The book concludes with a discussion of optimism radical hope and how we can put forward a new narrative on nature Against Catastrophism will be of great interest to psychoanalysts psychologists psychiatrists economists anthropologists sociologists food scientists environmentalists ecologists politicians and communication experts **Tagtaginep - My Dream of Opportunity** Roddy Espiritu,2013-03-07 This book contains my impressions and perspectives of the Philippines the United States and the world for that matter of my life struggles and dream of opportunity It s intended as a guidebook for regular and ordinary life both in the Philippines and in the United States depending on your inclinations abilities income and economic status Consider this as a report from my own listening post It contains actual interviews with people and excerpts from newspapers magazines books and the Internet My intention was to depict my own personal life and my family s and write about my own story based upon personal experiences but also to describe certain mores attitudes customs and cultures of various people in Philippine and American society as I see or interpret them trying not to offend or annoy My observations may not jibe with some people s cultural make up political conviction religious beliefs personal experience sensitivity and interpretation of certain issues and things but such is life I know that no matter where I stand and wherever I go it s always my opinion against any others and I have lots of opinions that can cause obvious negative reactions in the simplest of minds The world is full of cuckoos and we even admire some of them depending on who you ask When it comes to some very burning questions the first casualty is truth since there s a big difference between knowing the real story and the story we re told The historical events and lore that I have used as backdrop are based upon factual records and are of common knowledge in the Philippines and in the United States but people inject their own spin opinion hypocrisy dogma self righteousness politics pandering feeling insight and experience into certain circumstances as I did I have tried to be as truthful and transparent as possible in my own light You can scoff at me but I have no political agenda and I m not a conspiracy theorist I am just that I am I m not rewriting history but trying to give history its true light and history is fickle In my defense I quote the philosopher Voltaire I disapprove of what you say but I will defend to the death your right to say it I also have to show my credentials as Filipino so as to be able to tell Filipino

Decadent Romanticism: 1780-1914 Kostas Boyiopoulos, Mark Sandy, 2016-04-08 For Decadent authors Romanticism was a source of powerful imaginative revisionism perversion transition and partial negation But for all these strong Decadent reactions against the period the cultural phenomenon of Decadence shared with Romanticism a mutual distrust of the philosophy of utilitarianism and the aesthetics of neo Classicism Reflecting on the interstices between Romantic and Decadent literature Decadent Romanticism reassesses the diverse and creative reactions of Decadent authors to Romanticism between 1780 and 1914 while also remaining alert to the prescience of the Romantic imagination to envisage its own distorted darker perverted other self Creative pairings include William Blake and his Decadent critics the recurring figure of the sphinx in the work of Thomas De Quincey and Decadent writers and Percy Shelley with both Mathilde Blind and Swinburne Not surprisingly John Keats s works are a particular focus in essays that explore Keats s literary and visual legacies and his resonance for writers who considered him an icon of art for art s sake Crucial to this critical reassessment are the shared obsessions of Romanticism and Decadence with subjectivity isolation addiction fragmentation representation romance and voyeurism as well as a poetics of desire and anxieties over the purpose of aestheticism
