Jack London: Novels and Stories (LOA #6) Jack

London,1982-11-01 This Library of America volume of Jack London's best known work is filled with thrilling action and an intuitive feeling for animal life and a sense of justice that often works itself out through violence. London enjoyed phenomenal popularity in his own time which included the depressions of the 1890s and the beginnings of World War One and he remains one of the most widely read of all American writers. *The Call of the Wild* 1903 perhaps the best novel ever written about animals traces a dog's sudden entry into the wild and the education necessary for his survival in the ways of the wolf pack. Like many of London's stories this one is inspired by the early deprivations of his own pathetically short life: the primitive conditions of life as an oyster pirate in San Francisco, the restless existence of a hobo, the isolation of a prison inmate, the exertion of a laborer in the Oakland slums and the frustration of a failed prospector for gold in the Alaskan Klondike. *White Fang* 1906 in which a wolf dog becomes domesticated out of love for a man is apparently the reverse side of the process found in *The Call of the Wild* yet for many readers its moments of greatest authenticity are those which suggest that in actual practice civilization is pretty much a dog's life for everyone of hunting and being hunted, eating and being eaten, all in blindness and confusion with violence and disorder, a chaos of gluttony. Though London was a reader of Marx and Nietzsche and an avowed socialist, he doubted that socialism could ever be put into practice and was convinced of the necessity for a brutal individualism. He thought of *The Sea Wolf* 1904 the story of Wolf Larsen and his crew of outcasts on the lawless Alaskan seas as an attack upon the superman philosophy but the Captain is far more memorable than any of the book's civilized characters. London is an immensely exciting writer partly because the conflicts in his thinking tend to enhance rather than hinder the romantic and thrilling turns of his plots. The stories of the Klondike which are based on his personal experiences and the stories of California, Mexico and the South Seas span the whole of London's career as a writer. He is one of the great storytellers in American literature and his politics with all their passion and contradiction come to life through the vigor and red-blooded energy of his prose. LIBRARY OF AMERICA is an independent nonprofit cultural organization founded in 1979 to preserve our nation's literary heritage by publishing and keeping permanently in print America's best and most significant writing. The Library of America series includes more than 300 volumes to date, authoritative editions that average 1,000 pages in length, feature cloth covers, sewn bindings, and ribbon markers, and are printed on premium acid-free paper that will last for centuries.

[When God Laughs and Other Stories](#) Jack London, 2017-07-03 Named after the first story about a couple that tries in vain to uphold an intensely idealistic romance against the erosions of time and the inconstancy of human

nature the collection explores themes for which London became famous the struggle for survival in the midst of hostile environments human nature's most elemental drives and worker abuse in industrialized society In *The Apostate* his concerns with the working poor and his dislike of pre union era capitalism are evident in a grim story about a young man who is brutalized by the subhuman working conditions in a textile mill yet achieves a kind of liberation in the end London's fascination with primitive male characters is evident in *Just Meat* a story of two thieves who plot each other's demise in a selfish grab for a hoard of recently stolen jewelry Here in one volume first published in 1911 are a marvelous selection of Jack London's short fiction including *When God Laughs* *The Apostate* *A Wicked Woman* *Just Meat* *Created He Them* *The Chinago* *Make Westing Semper Idem* *A Nose for the King* *The Francis Spaight* *A Curious Fragment* *A Piece of Steak* These outstanding stories of the sea of the land of the ordinary people who work them are examples of London at his passionate best About Jack London Jack London 1876 1916 was an American author and a pioneer in the then burgeoning world of commercial magazine fiction He was one of the first Americans to make a lucrative career exclusively from writing London was self educated He taught himself in the public library mainly just by reading books In 1898 he began struggling seriously to break into print a struggle memorably described in his novel *Martin Eden* 1909 Jack London was fortunate in the timing of his writing career He started just as new printing technologies enabled lower cost production of magazines This resulted in a boom in popular magazines aimed at a wide public and a strong market for short fiction In 1900 he made 2 500 in writing the equivalent of about 75 000 today His career was well under way Among his famous works are *Children of the Frost* 1902 *The Call of the Wild* 1903 *The Sea Wolf* 1904 *The Game* 1905 *White Fang* 1906 *The Road* 1907 *Before Adam* 1907 *Adventure* 1911 and *The Scarlet Plague* 1912 He was one of the most prolific American writers of the early 20th century and remains one of the most beloved but while his novels have remained continuously in print for a century his short stories have been much harder to find From a Publisher Jack London is at his best that peculiar best which is inimitable Nothing is more important to note however than the soundness of the psychology of all these stories They are made out of the deep fibre of humanity By command over such material does Jack London hold his place in our literature By command over the knack of clearly flowing acid biting English that often takes rich color Boston Transcript **Jack London** Rebecca Stefoff, 2002-04-04 One of the most beloved writers of all time Jack London is best remembered for his tales of adventure such as *White Fang* and *The Call of the Wild* Jack London paints a well rounded picture of London's short intrepid life his prolific writings his unusually clear and direct portrayal of people of different races and his struggles with writing The book includes excerpts photographs maps suggestions for further reading and a list of places to visit Oxford Portraits are informative and insightful biographies of people whose lives shaped their times and continue to influence ours Based on the most recent scholarship they draw heavily on primary sources including writings by and about their subjects Each book is illustrated with a wealth of photographs documents memorabilia framing the personality and achievements of its subject against the backdrop of history
