Tozer, 2016-01-20 Some churches now advertise courses on how to pray How ridiculous That is like giving a course on how to fall in love A W Tozer Tozer understood prayer as few do as a way of life Now readers can share that same grand vision Prayer combines the best of Tozer on prayer into one volume Tozer was captured by the great wonder of God and he regarded prayer as the primary means of coming into His presence But if our everyday life is filled with the barrenness of busyness and there is no serious urgency to pray we forfeit the wonder of being conformed to the image of Christ and knowing our God more intimately the true Christian life Prayer is doable God is accessible And Tozer provides the wisdom

and encouragement to help us encounter Him daily With commentary and reflection questions provided by compiler W L Seaver Prayer takes our understanding of prayer to new depths and helps us have a life that prays **Tozer Speaks:**

Fake Salvation in Modern Gnostic America Christopher Raoul Carranza, 2025-07-22 Timing is everything For half a century Christopher Raoul Carranza along with others has been passionately criticizing dispensationalist pastors and mainstream American churches for promoting a distorted version of salvation Nineteenth century Dispensationalism is a contemporary version of a gnostic gospel that has existed for nearly two millennia But suddenly the very people who had dogmatically defended Protestant easy believism and the old dispensational gospel are themselves adding contradictory conditions to their teachings Why It appears that by borrowing the dispensational foundational teachings like behavior doesn t matter an emphasis on Christ s finished work on the cross and
