Best Of G Campbell Morgan:

The Best of G. Campbell Morgan George Campbell Morgan,1972 George Campbell Morgan 1863 1945 preached his first sermon at age twelve and without formal academic training became one of the most widely sought speakers of England and North America Noted for his careful use of language and his thoughtful commentary he wrote more than sixty books and pastored many churches back cover *Best of G. Campbell Morgan* George Campbell Morgan,Ralph G. Turnbull,1987-01-01

The Golden Age of Preaching Robert T Henry, Dr,Robert T. Henry,2005-08 To measure the impact of a minister s preaching one must first examine the societal context in which the ministry took place For example what would lead a minister of the Gospel to roar from the pulpit as did Joseph Parker of City Temple London God damn the Sultan The first section of *The Golden Age of Preaching* is given to the study of the times in which nine prominent British preachers ministered Understanding the times helps one to comprehend why crowds flocked to hear these men preach and why their sermons were printed in newspapers on Monday Furthermore to assess the preaching of a man one needs to take into account the life and manner of the man himself *The Men Who Moved the Masses* includes biographical sketches of nine selected preachers Alexander McLaren Robert William Dale Henry Parry Liddon at St Paul s London Joseph Parker Charles Haddon Spurgeon Alexander Whyte Frederick Brotherton Meyer John Henry Jowett and George Campbell Morgan These were men though hampered by various medical problems and personality shortcomings who led thousands to faith in their day The final section attempts to answer the question Why by identifying those homiletical characteristics of their preaching which they had in common resulting in such uncommon impact upon the masses Those qualities are not confined to their era alone They are perpetual applicable to any age to any culture Preachers and seminarians who dare to sit at the feet and learn from these preaching giants of the past will find their own preaching power lifted onto a new plain to the benefit of all who hear them

Searchlights from the Word G. Campbell Morgan,2010-04-01 1188 sermon suggestions One from every chapter in the Bible Morgan s expositions sparkle as they enhance Bible texts from every chapter in the Bible Concise and delightfully free of redundancy these selections reveal the master expositor s keen analytical insight into God s Word To encourage preachers and Bible teachers to develop their own sermon and lesson themes creatively the author mentions that these are sermon suggestions not sermons or sermon outlines He intentionally left the notes untitled preferring to let the text of Scripture be their only caption These penetrating truths firmly anchored in Scripture are best described by G Campbell Morgan himself On every page of the God breathed Writings there are many thoughts which stretch out like long clear arms of light across the darkness discovering things which otherwise were hidden and often illuminating wider areas than those of the immediate context They are searchlights From the multitude of these I have selected one in each chapter of the Bible Perhaps the work will also serve to illustrate a method of showing how focal points of radiating light gather their radiance from the context **Christian Companion** ,1907 Simple Theology: Theology for the Rest of Us Clay A.
