The Best of H.A. Ironside Henry Allan Ironside,1981-01-01 **ORDAINED OF THE LORD** E. SCHUYLER ENGLISH,H.A Ironside,Rev Terry Kulakowski, Editor,2015-12-02 That the life story of this servant of Christ should be chronicled for others was inevitable for there is so much in that life Equally certain though the author was the only one who knew it then was the fact that it should be written by me For a period of five or more years I had prayed that when the time should come for Dr Ironside s biography to be recorded I might be the one selected for the task There is doubtless much that I have overlooked in chronicling the lifework of Harry Ironside What I have written has been done to the end that Christ in all His power and beauty and faithfulness may be seen in what has been wrought through His servant and that men and women may be encouraged along life s path and incited to fuller yieldedness to the Lord through the record of a faithful steward E S E

Ironside,2016-02-26 A few moments of browsing through his Bible will quickly reveal H A I s devotional love for the Book also his method of expounding it He was probably the most famous exponent of verse by verse exposition of our generation And literally thousands of sheep crowded the great Moody Church week after week for over eighteen years because better pasture could not be found anywhere else H A I s manner of marking the Bible is a fascinating study in itself In fact all flyleaves are actually covered with sayings poems diagrams illustrations epitaphs and even Chinese characters which he studied for recreation Here and there he has noted some of the great themes of the Bible which signified the power and effectiveness of his preaching But perhaps the richest of the treasure is the reading of his choice comments scattered over some fifteen hundred pages of Scripture as written by him in the margins This volume contains selections from the many marginal notes found in each of the Books of the great expositor s old Bible If the reader will fit these notes with chapter and verse he will find the map leading to buried treasure **Artificial Intelligence Commentary on the Gospel of Matthew**

Written Aforetime David Dunlap, 2008-12-29 **The Two Babylons** Alexander Hislop, 1916 Fully Illustrated High Res Images Complete and Unabridged Expanded Seventh Edition This is the first and only seventh edition available in a modern digital edition NOTHING is left out New material not found in the first six editions Available in eBook and paperback edition exclusively from CrossReach Publications See below for A W Pink s glowing review and an intro by Alexander Hislop In his work on The Two Babylons Dr Hislop has proven conclusively that all the idolatrous systems of the nations had their origin in what was founded by that mighty Rebel the beginning of whose kingdom was Babel Gen 10 10 A W Pink The Antichrist 1923 There is this great difference between the works of men and the works of God that the same minute and searching investigation which displays the defects and imperfections of the one brings out also the beauties of the other If the most finely polished needle on which the art of man has been expended be subjected to a microscope many inequalities much roughness and clumsiness will be seen But if the microscope be brought to bear on the flowers of the field no such result appears Instead of their beauty diminishing new beauties and still more delicate that have escaped the naked eye are forthwith discovered beauties that make us appreciate in a way which otherwise we could have had little conception of the full force of the Lord s saying Consider the lilies of the field how they grow they toil not neither do they spin and yet I say unto you That even Solomon in all his glory was not arrayed like one of these The same law appears also in comparing the Word of God and the most finished productions of men There are spots and blemishes in the most admired productions of human genius But the more the Scriptures are searched the more minutely

they are studied the more their perfection appears new beauties are brought into light every day and the discoveries of science the researches of the learned and the labours of infidels all alike conspire to illustrate the wonderful harmony of all the parts and the Divine beauty that clothes the whole If this be the case with Scripture in general it is especially the case with prophetic Scripture As every spoke in the wheel of Providence revolves the prophetic symbols start into still more bold and beautiful relief This is very strikingly the case with the prophetic language that forms the groundwork and corner stone of the present work There never has been any difficulty in the mind of any enlightened Protestant in identifying the woman sitting on seven mountains and having on her forehead the name written Mystery Babylon the Great with the Roman
