Bygone Berkshire Various,2019-12-02 In *Bygone Berkshire* a rich tapestry of historical narratives and evocative imagery a collective of authors meticulously assembles stories that capture the essence of Berkshire's past This anthology deftly wields a variety of literary styles weaving together oral histories personal anecdotes and historical analyses that transport readers to different eras of the region From the quaint villages to significant historical events each contribution illuminates the social and cultural transformations that have shaped Berkshire making it a vital addition to regional literature and heritage studies The authors behind this anthology come from diverse backgrounds each bringing their unique perspectives and experiences related to Berkshire Some are local historians who have dedicated years to researching the area's rich past while others are descendants of Berkshire residents who share familial stories passed down through generations Their collaborative effort reflects a deep seated passion for preserving and celebrating the legacy of a region steeped in history *Bygone Berkshire* is a must read for anyone intrigued by local history heritage and the intricate narratives that form the backbone of community identity This collection not only serves as a historical resource but also as a heartfelt tribute to the lives and landscapes that once were making it an essential read for scholars history buffs and casual readers alike

Berkshire Within Living Memory ,1996 Berkshire with its combination of both industrial and rural areas has seen many changes Members of the Berkshire Federation of Women's Institutes conscious of the importance of recording these changes have compiled their own personal recollections and have also interviewed elderly friends and relations both men and women

Berkshire Dictionary of Chinese Biography Volume 4 Kerry Brown,2015-05-01 The *Berkshire Dictionary of Chinese Biography* 1979 2015 provides a riveting new way to understand twenty first century China and a personal look at the changes that have taken place since the Reform and Opening Up era started in 1979 One hundred key individuals from this period were selected by an international group of experts and the stories were written by more than 70 authors in 14 countries The authors map the paths taken by these individuals some rocky some meandering some fateful and in telling their stories give contemporary Chinese history a human face The editors have included with the advice of myriad experts around the world not only the life stories of politicians and government officials who play a crucial role in the development of the country but the stories of cultural figures including film directors activists writers and entrepreneurs from the mainland China Hong Kong and also from Taiwan The Greater China that comes through in this volume has diverse ideas and identities It is often contradictory sometimes fractious and always full of creative human complexity Some of the lives rendered here are heroic Some are tragic and many are inspirational Some figures come in for trenchant criticism and others are celebrated with a sense of wonder and awe Like previous volumes of the *Berkshire Dictionary of Chinese Biography* this volume includes a range of appendices including a pronunciation guide a bibliography and a timeline of key events

Once Upon a Time Lord Ivan Phillips,2020-02-20 Every story ever told really happened The Doctor Hell Bent 2015 Stories are fundamentally

what Doctor Who is all about In *Once Upon a Time* Lord Ivan Phillips explores a wide range of perspectives on these stories and presents a lively and richly varied analysis of the accumulated tales that constitute this popular modern mythology Concerned equally with classic and new Who Phillips looks at how aspects of the Time Lord s story have been developed on television and beyond tracing lines of connection and divergence across various media He discusses Doctor Who as a mythology that has drawn on its own past in often complex ways at the same time reworking elements from many other sources whether literary cinematic televisual or historical *Once Upon A Time* Lord offers an original take on this singular hero s journey reading the unsettled enigma of the Doctor in relation to the characters narratives and locations that he has encountered across more than half a century

A Berkshire Boyhood Begiebing, Robert,2015-03-12 Neither celebrity gawk misery memoir nor confessional melodrama *A Berkshire Boyhood* is more reminiscent of such memoirs as Tobias Wolff s *This Boy s Life* and Emily Fox Gordon s *Are You Happy* In fact *A Berkshire Boyhood* will strike readers as a parallel universe to Gordon s book her own story of growing up in Williamstown Massachusetts as a privileged faculty brat and young girl in the 1950s *Berkshire Boyhood* is a boy s story of growing up from working class roots in that same place and time It explores family troubles arising out of the wounds and separations of World War II ethnic religiosity and adolescent sexuality 1950s variety Its deeper appeal comes from our curiosity about the 1950s and the Boomer generation from the fraught relations between that generation and their parents who fought WWII from our interest in the influence of landscape on human development and from a vision of post war years as a decade seething with the anger and dissent of an incipient counterculture that would explode the sixties

[Skiing](#) ,1975 [The Death and Life of Main Street](#) Miles Orvell,2012-10-01 For more than a century the term Main Street has conjured up nostalgic images of American small town life Representations exist all around us from fiction and film to the architecture of shopping malls and Disneyland All the while the nation has become increasingly diverse exposing tensions within this ideal In *The Death and Life of Main Street* Miles Orvell wrestles with the mythic allure of the small town in all its forms illustrating how Americans continue to reinscribe these images on real places in order to forge consensus about inclusion and civic identity especially in times of crisis Orvell underscores the fact that Main Street was never what it seemed it has always been much more complex than it appears as he shows in his discussions of figures like Sinclair Lewis Willa Cather Frank Capra Thornton Wilder Margaret Bourke White and Walker Evans He argues that translating the overly tidy cultural metaphor into real spaces as has been done in recent decades especially in the new urbanist planned communities of Elizabeth Plater Zyberk and Andres Duany actually diminishes the communitarian ideals at the center of this nostalgic construct Orvell investigates the way these tensions play out in a variety of cultural realms and explores the rise of literary and artistic traditions that deliberately challenge the tropes and assumptions of small town ideology and life

Seizing the Word Keith E. Byerman,2010-08-01 *Seizing the Word* offers a comprehensive reading of the work of W E B Du Bois 1868 1963 a pivotal figure in the intellectual life of nineteenth and

twentieth century America As a historian journalist novelist poet and social and literary critic this extraordinary man profoundly influenced our understanding of the African American experience Following his initial discussion of Du Bois s earliest writing Keith E Byerman posits *The Souls of Black Folk* 1903 as a master text that established the tropes of doubleconsciousness and the veil for which Du Bois is known and incorporated the various genres through which he voiced his understanding of the world The remainder of the study discusses Du Bois s works as elaborations of the master text within and against the contemporary discourses on history art and self Throughout Byerman examines the connections between the personal and intellectual aspects of Du Bois s life to reveal the intense engagement with moral and ideological issues found even in texts that Du Bois represented as objective At the same time in order to present some of the complexity and conflict that runs through Du Bois s work Byerman identifies the tensions and patterns in Du Bois s writing that cross disciplines or genres Instead of focusing on one aspect of Du Bois s career *Seizing the Word* attempts a more synthetic approach primarily by examining Du Bois in terms of contemporary literary and cultural theory most notably Lacan s Law of the Father and Erikson s work on identity

Life Writing and Victorian Culture David Amigoni,2017-09-29 In this collection of interdisciplinary essays experts from Britain and the United States in the fields of nineteenth century literature and social and cultural history explore new directions in the field of Victorian life writing Chapters examine a varied yet interrelated range of genres from the biography and autobiography to the relatively neglected diary collective biography and obituary Reflecting the rich research being conducted in this area the contributors link life writing to the formation of gendered and class based identities the politics of the Victorian family and the broader professional political colonial and literary structures in which social and kinship relations were implicated A wide variety of Victorian works are considered from the diary of the Radical Samuel Bamford to the diary of the homosexual George Ives from autobiographies of professional men to collective biographies of eminent women Embracing figures as diverse as Gandhi Wilde and Bradlaugh the collection explores the way in which narratives contested one another in a society that devoted an abundance of cultural energy to writing about and reading of lives

Productive Remembering and Social Agency Teresa Strong-Wilson,Claudia Mitchell,Susann Allnutt,Kathleen Pithouse-Morgan,2013-10-30 *Productive Remembering and Social Agency* examines how memory can be understood used and interpreted in forward looking directions in education to support agency and social change The edited collection features contributions from established and new scholars who take up the idea of productive remembering across diverse contexts positioning the work at the cutting edge of research and practice Contexts range across geographical locations Canada China Rwanda South Africa and across critical social issues from HIV AIDS to the legacy of genocide and Indian residential schools from issues of belonging place and media to interrogations of identity This interdisciplinary collection is relevant not only to education itself but also to memory studies and related disciplines in the humanities and social sciences

A New Medley of Memories David Oswald Sir Hunter Blair,2023-09-17

In *A New Medley of Memories* David Oswald Sir Hunter Blair crafts a rich tapestry of recollections that blend personal narratives with a broader cultural critique positioning the work within the context of post war British literature. The book is characterized by its fluid prose style interweaving different genres from memoir to essay inviting readers to reflect on the intricate interplay of memory identity and social change. Blair's contemplative observations resonate with the literary traditions of both modernism and postmodernism reverberating with themes of nostalgia and the search for meaning in a rapidly shifting world. David Oswald Sir Hunter Blair a distinguished figure in literary circles draws upon his extensive travels and experiences as a cultural critic to inform this work. His nuanced understanding of historical landscapes and personal histories stems from his upbringing in a post war society marked by both trauma and resilience. This background serves as a fertile ground for his exploration of how memory shapes our sense of self and the collective narrative of society. This book is a compelling read for anyone interested in the intricate ways that memories mold our identities. Scholars students and casual readers alike will find value in Blair's insightful reflections making *A New Medley of Memories* an essential addition to the contemporary literature canon.

The Places of Van Morrison's Songwriting Geoff Munns, 2022-12-21 What can we learn about Van Morrison's life and work as a songwriter through his songs? This book looks closely at the lyrics and music from a selection of his songs. Some are very well known *Brown Eyed Girl* *Cleaning Windows* and *The Healing Game*. Others are less familiar. Through these songs the book offers insights into some of the most important ideas that the songwriter has explored across his five decade plus career starting from the Them period and extending through his solo albums. These readings show how thinking about Morrison's use of place provides a specific lens that contributes to a greater understanding of his art. The songs are organized into chapters that reflect many of the important places in Morrison's work as he ventured professionally and imaginatively away from the places of his upbringing towards a wider musical world. These places are in city streetscapes and country landscapes in home places of streets and ditches in the enclosed spaces of rooms in the expansive reaches of the natural world in indeterminate and specific foreign lands. A picture emerges of the journey that Van Morrison details through his songs one that sees him first wandering as a boy through his East Belfast haunts and then venturing out to a wider world away from this local place.

The Expatriates Martin Edmond, 2017-11-09 The connection between a colony and its founder centre and margin is always paradoxical. Where once Britain sent colonists out into the world now the descendents of those colonists return to interrogate the centre. This is a book about four of these returners: Harold Williams journalist linguist Foreign Editor of *The Times*; Ronald Syme spy libertarian historian of ancient Rome; John Platts Mills radical lawyer and political activist; and Joseph Burney Trapp librarian scholar and protector of culture. These were men born in remote New Zealand who achieved fame in Europe even as they were lost sight of at home. Men who became from the point of view of their country of origin expatriates. A writer of penetrating insight Martin Edmond explores the intersections of past and present in the lives of these four extraordinary individuals. Their stories combine in the

hands of this award winning writer to a moving reflection upon New Zealand's place in the world then and now *Billboard*, 1954-06-26 In its 114th year Billboard remains the world's premier weekly music publication and a diverse digital events brand content and data licensing platform Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends **Letters from Patrick** Patrick Kinsella, 1965 *The Illustrated London News*, 1884 The Routledge Handbook of Memory and Place Sarah De Nardi, Hilary Orange, Steven High, Eerika Koskinen-Koivisto, 2019-08-20 This Handbook explores the latest cross disciplinary research on the inter relationship between memory studies place and identity In the works of dynamic memory there is room for multiple stories versions of the past and place understandings and often resistance to mainstream narratives Places may live on long after their physical destruction This collection provides insights into the significant and diverse role memory plays in our understanding of the world around us in a variety of spaces and temporalities and through a variety of disciplinary and professional lenses Many of the chapters in this Handbook explore place making its significance in everyday lives and its loss Processes of displacement where people's place attachments are violently torn asunder are also considered Ranging from oral history to forensic anthropology from folklore studies to cultural geographies and beyond the chapters in this Handbook reveal multiple and often unexpected facets of the fascinating relationship between place and memory from the individual to the collective This is a multi and intra disciplinary collection of the latest most influential approaches to the interwoven and dynamic issues of place and memory It will be of great use to researchers and academics working across Geography Tourism Heritage Anthropology Memory Studies and Archaeology **Jung's Apprentice** Diana Baynes Jansen, 2003 Dr H G Baynes was a close friend and assistant to C G Jung He introduced Jungian psychology to Britain and led the English Jungian community for twenty years bringing greater public awareness to Jung's psychology through his writing lectures and broadcasts Previously unpublished correspondence between Baynes and Jung as well as extracts from Baynes' journal while in analysis with Jung are included **BOOK JACKET** The University of Leeds Review, 1969 *Princeton Alumni Weekly*, 1957
