The city enjoyed untold wealth during the fifteenth and sixteenth centuries but was devastated by the earthquake in 1755. Portugal's accession to the European Community and Lisbon's subsequent choice both as the European City of Culture 1994 and as the site for the international Expo 98 have brought the city into the European mainstream **World Mapping Today** Bob Parry, Chris Perkins, 2011-12-22 No detailed description available for World Mapping Today *Spain* Graham J. This reference provides annotated entries on works dealing with the history, geography, economy, politics, people, culture, customs, religion, and social organization of this fascinating country. Also addressed are current living conditions including housing, education, the media, the arts, and industry.
