The Culture of the Case Frederic J.

Schwartz,2023-06-13 How artists in twentieth century Germany adapted the idea of the medical or legal case as an artistic strategy to push to the fore sexualities scandals and crimes that were otherwise concealed In early twentieth century Germany the artistic avant garde borrowed procedures from the medical and juridical realms to expose and debate matters that society preferred remain hidden and unspoken Frederic J Schwartz explores how the evocation or creation of a case provided artists with a means to engage themes that ranged from blasphemy to Lustmord or sexual murder Shedding light on the case as a cultural form Schwartz shows its profound effect on artists and the ways it dovetailed with methods used by these figures to exploit fundamental changes taking place across the mass media of their time As Schwartz shows the case was a common denominator that connected seemingly disparate works George Grosz and Rudolf Schlichter drew on it for their violent visual art as did architect Adolf Loos when he equated ornament with crime Expressionists meanwhile approached the question of whether the so called mad shared a right of public expression with those deemed sane and examined medical and legal approaches to what society labeled as insanity The case also took on a personal dimension when artists found themselves confronted with or chose to engage with the legal system German courts prosecuted John Heartfield and others for their provocative works while Bertolt Brecht created publicity for himself by suing the firm to whom he sold the film rights to The Threepenny Opera Provocative and insightful The Culture of the Case offers a privileged view of the spaces of representation in which images in some instances as cases functioned at a key moment of modernity
