different African contexts The authors also reflect on the entwinement between the violation of women s rights and the degradation of the Earth which is usually described using feminine terms hence the designation Mother Earth The three major religious traditions in Africa Christianity Islam and African Traditional Religions ATR are the lenses through which the authors discuss the interconnections between religion culture and ecological traditions Peering through African eco feminist gender justice and gender inclusive lenses the authors foreground the importance of tapping into Africa s rich religio cultural resources as vital tools that can be utilised to address the ravaging ecological crisis *A Better Freedom* Michael Card,2009-10-15 In *A Better Freedom* Michael Card explores the biblical imagery of slavery as a metaphor for Christian discipleship revealing Christ as the true Lord and Master who sets us free from our own slavery to sin Contemporary African Perspectives on the Bible Tobias Marevesa,Nyasha Madzokere,Lovemore Togarasei,Billy Meyer,2024-08-10 This volume explores current methodological developments in the interpretation of the Bible from an African perspective Previous scholarship has explored the relevance of Eurocentric biblical interpretive methods to African experiences and contexts This book furthers the discussion by examining the continuing importance of contextual Bible interpretation Authors provide an evaluation of the work done by the precursors and predecessors interpreting the Bible from an African point of view and then analyse the emerging challenges to interpreting the Bible in an ever changing context The volume is a comprehensive resource providing new interpretations of the Bible in Africa and addressing the contemporary questions of people in Africa and beyond Zimbabwe National Bibliography ,1988 *The African Conundrum* Mawere, Munyaradzi,Mubaya, Tapuwa R.,2017-05-22 The African conundrum is rooted out of the historical philosophical and cultural bastardisation imbalances and inequalities which many post colonial African governments have always sought to address though with varying degrees of success since the 1960s Lamentably this African conundrum is rarely examined in a systematic manner that takes into account the geopolitical milieu of the continent past and present This volume seeks to interrogate and examine the extent of the impact of the geopolitical seesaw which seems poised to tip in favour of the Global North The book grapples with the question on how Africa can wake up from its cavernous intellectual slumber to break away from both material and psychological dependency and achieve a transformative political and socio economic self reinvention and self assertion While the African conundrum is largely a result of historic oppression and a resilient colonial legacy this book urges Africans to rethink their condition in a manner that makes Africa responsible and accountable for its own destiny The book argues that it is through this rethinking that Africa can successfully transcend the logic of post imperial dependency *Going Global with God* Titus Leonard Presler,2010-10 Explores the gifts and challenges of grassroots mission initiative in a world of difference In this stimulating new work congregations and church leaders at every level can gain the theological and practical background to build mission relationships marked by companionship reconciliation and mutuality World Christianity and Global Conquest David Lindenfeld,2021-05-20 Explores the global expansion of Christianity since 1500 from the perspectives
