Bernard Buffet, 1955 Bernard Buffet: Maler, Painter, Peintre Bernard Buffet, Udo Kittelmann, Dorothee Brill, 2008 Bernard
Buffet 1928 ndash 1999 is an artist who was once feted as being one of France s most important painters and the legitimate
successor of Picasso As the painter of existentialism and the man who found the images to describe post War sensitivities
Buffet s works had a visual presence and renown in West Europe that almost no other painter has achieved since This
immense popularity in the 1950s and 1960s was followed by critics and the institutional art world both rejecting his work
most incisively The vitriolic tone of this rejection intimates that Buffet should be considered someone who was suppressed
rather than forgotten He hardly varied his distinctive expressive style through the decades and with it Bernard Buffet
transformed an inconceivable number of themes be they violent or trivial into paintings Edited by Udo Kittelmann this is the
first monograph on Buffet in many years and it re positions the artist back into the art world English German and French text

Foulkes, 2016-01-14 It is said that asphyxiation brings on a state of hallucinatory intoxication in which case the 71 year old
artist who lay in his sprawling Provencal villa died happy In the early afternoon of Monday 4 October 1999 wracked with
Parkinson s and unable to paint because of a fall in which he had broken his wrist Bernard Buffet calmly placed a plastic bag
over his head taped it tight around his neck and patiently waited the few minutes it took for death to arrive Bernard Buffet
The Invention of the Modern Mega artist tells the remarkable story of a French figurative painter who tasted unprecedented
critical and commercial success at an age when his contemporaries were still at art school Then with almost equal
suddenness the fruits of fame turned sour and he found himself an outcast Scarred with the contagion of immense
commercial success no leper was more untouchable He was the first artist of the television age and the jet age and his role in
creating the idea of a post war France is not to be underestimated As the first of the so called Fabulous Five Francoise Sagan
Roger Vadim Brigitte Bardot and Yves Saint Laurent he was a leader of the cultural revolution that seemed to forge a new
France from the shattered remains of a discredited and demoralized country Rich in incident Buffet s remarkable story of
bisexual love affairs betrayal vendettas lasting half a century shattered reputations alcoholism and drug abuse is played out
against the backdrop of the beau monde of the 1950s and 1960s in locations as diverse as St Tropez Japan Paris Dallas St
