Bernard Shaw Guide To Research:

Bernard Shaw Stanley Weintraub, 1988-06-01 This is the first comprehensive annotated bibliography of works by and about Bernard Shaw No book has appeared before that has surveyed all of the research and writing that the life and work of Bernard Shaw have evoked The greatest dramaturgist in English after Shakespeare Shaw was one of the dominant public figures of his time a long lifetime 1856 1950 that began in the mid Victorian period and extended into the Atomic Age Inevitably someone who straddled his age so visibly and so memorably and whose works retain a continuing fascination has been the subject of thousands of articles and hundreds of books from criticism of individual works to multivolume biographies editions and studies Stanley Weintraub has distilled his forty years of experience of Shaw studies to bring them into useful focus and sort out the significant writings from the burgeoning mass of publications This book is an essential tool for both scholars and general readers interested in the multifarious world of Shaw Readers will not only find out what has been done but what still remains to be accomplished in Shaw studies what Shaw's influence has been on other writers even where Shaw has appeared as a character in other writers poetry fiction and drama

Bernard Shaw Stanley Weintraub, 1992 This is the first comprehensive annotated bibliography of works by and about Bernard Shaw No book has appeared before that has surveyed all of the research and writing that the life and work of Bernard Shaw have evoked The greatest dramaturgist in English after Shakespeare Shaw was one of the dominant public figures of his time a long lifetime 1856 1950 that began in the mid Victorian period and extended into the Atomic Age Inevitably someone who straddled his age so visibly and so memorably and whose works retain a continuing fascination has been the subject of thousands of articles and hundreds of books from criticism of individual works to multivolume biographies editions and studies Stanley Weintraub has distilled his forty years of experience of Shaw studies to bring them into useful focus and sort out the significant writings from the burgeoning mass of publications This book is an essential tool for both scholars and general readers interested in the multifarious world of Shaw Readers will not only find out what has been done but what still remains to be accomplished in Shaw studies what Shaw's influence has been on other writers even where Shaw has appeared as a character in other writers poetry fiction and drama

Shaw's People Stanley Weintraub, 1996 How could Bernard Shaw have found anything to admire in Queen Victoria Or in the passionate evangelical General William Booth of the Salvation Army What possible connections could there be between Shaw the passionate socialist and the Tory Winston Churchill who seemed to represent everything Shaw should have rejected and despised In *Shaw's People* noted Shaw scholar Stanley Weintraub explores the relationships between Shaw and twelve of his contemporaries including Queen Victoria Oscar Wilde H L Mencken James Joyce and Winston Churchill Weintraub chose these individuals as lenses through which to look at Shaw but also for the ways in which their lives are illuminated through their often paradoxical relationships with Shaw While Shaw never met Queen Victoria his sovereign during the first forty five years of his life the degree of her influence is apparent in

Shaw's reference to himself in his ninth decade as an old Victorian Weintraub explores those in the literary world who interacted with Shaw such as H L Mencken one of Shaw's earliest American fans who turned against his hero at the peak of his transatlantic reputation and James Joyce who was loath to confess his respect for his fellow Irishman He investigates the curious mutual admiration between Shaw and W B Yeats and Shaw's championing of Oscar Wilde despite the vast difference in their lifestyles Weintraub's skillful investigation of each of these twelve relationships illuminates a different facet of Shaw from his pre-dramatist years in London through the close of his long life

Shaw and Other Playwrights John Anthony Bertolini, 1993 The early conclusion that Shaw was mainly a magpie following the trails of many thinkers has led to the further consequence of neglecting Shaw's relationship to other playwrights This volume of SHAW explores Shaw's plays as inheritances and inspirations of dramatic art and also locates Shaw himself as a presence in the work of his contemporaries and successors The volume concentrates on Shaw in relation to other modern British playwrights notably Wilde Bennett Rattigan the Court Theatre playwrights and Shaw's successors from Coward to Stoppard Gwyn Thomas's 1975 BBC play *The Ghost of Adelphi Terrace* puts Shaw and Barrie together on stage and Shaw's 20 June 1937 Sunday Graphic obituary tribute to Barrie demonstrates Shaw's high regard for his contemporary and near neighbor There are also essays on how Shaw came increasingly to resemble Strindberg as a dramatist on the requirements of acting and directing Shaw alongside his contemporaries at the Shaw Festival at Niagara on the Lake and on *Heartbreak House* as a complex dialogue with Chekhov Shakespeare and Strindberg John R Pfeiffer has prepared a special bibliography of sources relating to Shaw and other playwrights in addition to the Continuing Checklist of Shavian and Dan H Laurence has provided Shaw's pronunciation guide for the more troublesome names of his stage characters There are also reviews of four recent additions to Shavian scholarship Contributors include John A Bertolini Fred D Crawford R F Dietrich T F Evans A M Gibbs Leon H Hugo Christopher Newton Sally Peters John R Pfeiffer Evert Sprinchorn and Stanley Weintraub

Nineteenth Century Prose, 1994 [A Contemporary Shavian Manifesto](#) Azeez Jasim Mohammed, 2016-05-11 *A Contemporary Shavian Manifesto* presents an appraisal of George Bernard Shaw's position on women in his plays The dramatist's unconventional approach itself is praiseworthy as he creates unwomanly women who are deviant and create their own space outside social conventions and practices In creating a counterpoint to the norm Shaw succeeds in creating the image of a new woman who is no longer the angel of the house The book explores the ways in which Shaw addresses gender inequality in society through an examination of women's role in the social religious moral and economic spheres In addition to studying Shaw's exploration of the radical woman this book traces his attempts to project a new woman who is the pursuer rather than being pursued The playwright questions the relegation of woman to the domestic space the arbitrary distribution of duties between men and women and patriarchally determined codes of conduct imposed upon woman His foregrounding of women as the force behind what he calls Creative Evolution achieves a kind of feminisation of the life force the central theme in his plays [Shaw and](#)

Other Matters Stanley Weintraub,1998 Demonstrating the influence of scholar teacher Stanley Weintraub on his students Shaw and Other Matters reflects the scope of that influence in its concern with a variety of literary figures from Shaw to Joe Orton and of topics such as war memoirs and golem robots The variety is there as well in the approaches to the subjects Rodelle Weintraub s dream analysis of Arms and the Man Julie Sparks s comparison of Shaw with Bellamy Morris and Bulwer Lytton as world betterers Michael Pharand s evaluation of Shaw s changing views of Napoleon Kinley Roby s tracing of Shaw s exchanges of views on playwriting with Arnold Bennett and Kay Li s archetypal exploration of characters in Heartbreak House An Idea of the Drama Bert Cardullo,2011 This is a collection of ten long essays arranged around the primordial subject of realism and non realism or anti realism in the drama as this subject manifests itself in modern Europe and contemporary America from Ibsen to Shaw to the symbolists expressionists surrealists dadaists futurists and absurdists This book treats not only the issue of realism versus anti realism in theater from a practical as well as a theoretical point of view It also treats at least two subjects related to this issue the superficial or bourgeois realism that has long crippled the theater versus the critical and sometimes poetic realism that liberates it and the avant garde the rearguard and the middle to advanced artistic ground in between claimed by Bertolt Brecht and Harold Pinter Special attention is paid moreover to the first thoroughgoing American avant garde dramatist Gertrude Stein In sum this book treats the subject of realism and non realism from the point of view of the theater s ability to create not only the illusion of reality onstage but also the reality of illusion Publisher s description back cover A Reference Guide for English Studies Michael J. Marcuse,2023-11-15

Walford's Guide to Reference Material: Generalia, language & literature, the arts Albert John Walford,Marilyn Mullan,Anthony Chalcraft,1993 This book has achieved international recognition as a reference tool and a one stop daily information source This new edition features many topics and is indispensable to librarians and information professionals revising reference collections etc *Walford's Guide to reference material.* Albert John Walford,1995 Cicero in Heaven Carl P.E. Springer,2017-10-02 In Cicero in Heaven The Roman Rhetor and Luther s Reformation Carl Springer traces the historical outlines of Cicero s rhetorical legacy paying special attention to the momentous impact that he had on Luther his colleagues at the University of Wittenberg and later Lutherans While the revival of interest in Cicero s rhetoric is more often associated with the Renaissance than with the Reformation it would be a mistake to overlook the important role that Luther and other reformers played in securing Cicero s place in the curricula of schools in modern Europe and America Luther s attitude towards Cicero was complex and the final chapter of the book discusses negative reactions to Cicero in the Reformation and the centuries that followed A Play Analysis R. J. Cardullo,2015-10-28 Play Analysis A Casebook on Modern Western Drama is a combined play analysis textbook and course companion that contains twelve essays on major dramas from the modern European and American theaters among them Ghosts The Ghost Sonata The Doctor s Dilemma A Man s a Man The Homecoming The Hairy Ape The Front Page Of Mice and Men Our Town The Glass Menagerie and Death of

a Salesman Supplementing these essays are a Step by Step Approach to Play Analysis a Glossary of Dramatic Terms Study Guides Topics for Writing and Discussion and bibliographies Written with college students in mind and possibly also advanced high school students these critical essays cover some of the central plays treated in courses on modern Euro American drama and will provide students with practical models to help them improve their own writing and analytical skills The author is a close reader committed to a detailed yet objective examination of the structure style imagery and language of a play Moreover he is concerned chiefly with dramatic analysis that can be of benefit not only to playreaders and theatergoers but also to directors designers and even actors that is with analysis of character action dialogue and setting that can be translated into concepts for theatrical production or that can at least provide the kind of understanding of a play with which a theater practitioner could fruitfully quarrel Bulletin of Bibliography ,1997 Bibliography in Literature, Folklore, Language and Linguistics David William Foster,James R. Kelly,2003-02-11 While the academic world devoted to literary study has been absorbed with new and distinct forms of literary criticism bibliography has received scant attention much less than in former times when it was understood as more than just an aid to research Enormous changes have taken place in enumerative bibliography over the past thirty years especially with the widespread use of computers but these changes have gone unrecognized as bibliography has gone unappreciated This work is a collection of essays concentrating exclusively on bibliography and its uses in the academic world especially in literature folklore language and linguistics The book begins with a discussion of what bibliography is what it does and how to create the optimum bibliography Other subjects include bibliography and postcolonialism critical theory and bibliography in cross disciplinary environments issues and problems with tools for feminist and women s studies scholars in literature strategies for the incorporation of pluridisciplinary work bibliographical databases and databased bibliographies and ideas for the future of the MLA International Bibliography *The Reference Book Review* ,1992 *English Literature in Transition, 1880-1920* ,1994

Reference Book Review ,1991 International Who's Who of Authors and Writers 2004 Europa Publications,2003 Accurate and reliable biographical information essential to anyone interested in the world of literature TheInternational Who s Who of Authors and Writersoffers invaluable information on the personalities and organizations of the literary world including many up and coming writers as well as established names With over 8 000 entries this updated edition features Concise biographical information on novelists authors playwrights columnists journalists editors and critics Biographical details of established writers as well as those who have recently risen to prominence Entries detailing career works published literary awards and prizes membership and contact addresses where available An extensive listing of major international literary awards and prizes and winners of those prizes A directory of major literary organizations and literary agents A listing of members of the American Academy of Arts and Letters **The Dietitian's Guide to Vegetarian Diets** ,
