## **Bertie May And Mrs Fish Country Memories Of Wartime:**

**Bertie, May and Mrs Fish** Xandra Bingley, 2006 Xandra Bingley's early years were spent on a Cotswold hill farm during the Second World War and its aftermath. The author's mother, the elegant and remarkably hardy May, turns from a sparkling debutante and horsewoman into a farmer while Xandra's father Bertie is away at war. Isolated by landscape, farmyards, and a thousand acres, Xandra is an only child among animals, farm workers, landgirls, and prisoners of war. As Christian and 1930s upper class values disappear, this book captures the essence of a country childhood and obliquely through a young girl's eyes and ears the complicated, often harsh adult world surrounding her. The Cotswolds Jane Bingham, 2009 Lying between the provinces and the capital, the Cotswolds have been home to kings and aristocrats and have played a dramatic role in the story of Britain. With Robert Lowell and His Circle Kathleen Spivack, 2012 In 1959 Kathleen Spivack won a fellowship to study at Boston University with Robert Lowell. Her fellow students were Sylvia Plath and Anne Sexton among others. Thus began a relationship with the famous poet and his circle that would last to the end of his life in 1977 and beyond. Spivack presents a lovingly rendered story of her time among some of the most esteemed artists of a generation. Part memoir, part loose collection of anecdotes, artistic considerations, and soulful yet clear-eyed reminiscences of a lost time and place, hers is an intimate portrait of the often suffering Lowell, the great and near great artists he attracted, his teaching methods, his private world, and the significant legacy he left to his students. Through the story of a youthful artist finding her poetic voice among literary giants, Spivack thoughtfully considers how poets work. She looks at friendships, addiction, despair, perseverance, and survival, and how social changes altered lives and circumstances. This is a beautifully written portrait of friends who loved and lived words and made great beauty together. A touching and deeply revealing look into the lives and thoughts of some of the most influential artists of the twentieth century. With Robert Lowell and His Circle will appeal to writers, students, and thoughtful literary readers as well as to scholars. Sunday Best John Carey, 2022-11-15 A collection of John Carey's greatest, wisest, and wittiest reviews amassed over a lifetime of writing. The result is a compendium of titles that have stood the test of time, offered with Carey's warmest recommendation.
