Bert's beautiful sights Constance Allen,1990 **Bert's Beautiful Sights** Constance Allen,1990 Bert admires the world around him including the clouds water birds trees and even his shadow **The Cosmopolitan** ,1890 **The Edinburgh Review** ,1833 **Cosmopolitan** ,1890 Bert Darrow's Practical Fly Fishing Bert Darrow,2005-01-01 Bert Darrow doesn't just teach his students to fish he teaches them to live the sport It's an unusual holistic approach that comes from thirty five years of fly fishing and nearly the same amount of time teaching it This long awaited book includes the best of Darrow's approaches to fishing To teach fly fishing Darrow brings in elements and analogies from every kind of discipline Exercise for instance Few books or instructors stress the strenuous and aerobic nature of fly fishing but Darrow understands how important being fit is to fishing right He describes a simple exercise that will help any angler improve his cast Or music Darrow frequently uses music to teach casting timing the back and forward casts to a 4 4 beat Or sports Darrow teaches the casting stroke the same way many tennis coaches approach the serve and the backhand He also discusses the mental challenges of the sport things such as focus and patience in terms that would befit a sports psychologist It's an approach that has surprised many students who when they get to the river are amazed at how much less time they spend untying knots and pulling flies out of trees and how much more time they spend catching fish The Publishers Weekly ,1999 **Heir to Antiquity** Donald E. Courtney,2009-04 Time passes as quickly as a shooting star across the morning sky The trail left quickly evaporates until all that is left is the memory Then all too soon the memory vanishes as well lost somewhere in the depths of time Nothing is left but a void The cycle is complete Bert searches for happiness once again in the exotic countries of Spain Gibraltar the Azores Islands and finally the Central America Country of Nicaragua Will he find love there or will love once again slip away Ian and Sam test their strength and skills on an Archeological Expedition into the Rain Forests of Nicaragua with Ian's college friend Paul Paul believes an illusive Mayan Temple may be hidden away deep in the unexplored forest waiting to be discovered During the long weeks Ian Sam and Paul encounter greed hate mystery and superstition The expedition encounters a catastrophe that may have been the curse of an ancient power or a young Mayan Priestess or could it have been simply destined to happen No one knows for sure you must form your own opinion Enjoy *The Quarterly Review (London)* ,1832 *Bert & Lori* Robert J. Rowe,1997 Here is the intimate autobiography of a heterosexual male crossdresser a man who wears women's clothes occasionally for sexual pleasure Though author Robert J Bert Rowe has disguised his identity Bert Lori is the true story of a successful and happily married college professor who leads an alternative life at home This unapologetic self styled fetishist and his femme alter ego Lori reveal how his interest in female clothing began in childhood and how it developed as he grew older He recounts his attempt to conceal his behavior from friends and family and the guilt and shame he was made to suffer for what he felt to be an irresistible desire Rowe describes how his love for female clothing affected his relations with others and partly led to the collapse of his first marriage Now

however with a loving and understanding second wife he can explore a personal interest that has turned into a private lifestyle Bert Lori is more than a straight forward autobiography It is a well researched study of the phenomenon of crossdressing Meticulously endnoted and fully documented it describes the origins and purposes of transvestism in religious ritual and discusses crossdressing in novels films and the sociological and psychological literature It also includes an appendix devoted to transvestite fantasy fiction One of the unique features of this book is the author s contention based on his own awareness that crossdressing can be a therapeutic cathartic and even self transcending experience Another is the postscript by the author s wife Jill whose candid reflections are the only systematic discussion of the life and experiences of a cross dresser s wife

Something is Eternal Richard Henry Orndorff, 2023-11-08 This work is a hypothetically dialogue on how the eternal world might seem for someone recently dead using me the author pretending to be recently dead confronted with a First Greeter an intelligent and empathetic Spirit Guide named Amorella This work is for the purpose of challenging the Reader's reasoning and contemplation about how it is permanently moving on Amorella has been my creative spirit guide since the early 1980s and she has been in my earlier published novels with iUniverse The dialogue is candid Amorella gives me questions to show who I am now that I am a heartansoulamind and nothing more I am who I am Amorella is who she is and has been as my silent creative companion for the last forty years Faces of the dead are visible to one another their heartansoulsanminds are dressed as their faces as they were in life One's spiritual face masks shows intellect and emotion The spirit mask appears young old or in between whatever the nondeceptive heartansoulamind shows Deception is a basic need in life not spiritual existence I the Amorella and Spirit Guide see Richard as a naked heartansoulamind There isn't any more of Richard left only his straightforward humanity his outer soul and his personality through and through Richard's setting is quite reasonable for one who is recently been declared dead by one such as myself Someday you will be recently dead and someone like me the Amorella may show up and appear out of black You may sense a voice kindly saying Hello I am your Spirit Guide and will help in your recent transformation from a physical spiritual being into a spirit being similar to myself though you were born lived and died I am here when you feel the need of companionship or assistance
