and innovative poems and poets **The Best American Poetry 2007** Heather McHugh, David Lehman, 2007-09-11 The twentieth edition of the Best American Poetry series celebrates the rich and fertile landscape of American poetry. Renowned poet Heather McHugh loves words and the unexpected places they take you; her own poetry elevates wordplay to a species of metaphysical wit. For this year's anthology, McHugh has culled a spectacular group of poems reflecting her passion for language, her acumen, and her vivacious humor. Graced with McHugh's fascinating introduction, the book includes the poets' valuable comments on their work as well as series editor David Lehman's engaging foreword that limns the necessity of poetry. *The Best American Poetry 2007* is an exciting addition to a series committed to covering the American poetry scene and delivering great poems to a broad audience.

The Best of the Best American Poetry David Lehman, Harold Bloom, 1998-04-02 Every year since 1988 a major poet has selected seventy-five poems for publication in *The Best American Poetry*. The series has quickly grown in both sales and prestige as poetry itself has seen a remarkable resurgence in popularity and vitality, fueled by established poets at the peak of their powers and a new generation of daring voices. As we approach the millennium, now is the opportune moment to take stock of American poetry and choose the work that will stand the test of time. Harold Bloom, a commanding presence on the American literary state, has read all 750 poems in the series and has picked the best of the best. He precedes his selections with a compelling and highly provocative essay on the state of American letters in which he fiercely champions the endangered realm of the aesthetic over the politically correct. Diverse in style, method, and metaphor, the seventy-five poems Bloom has chosen go a long way toward defining a contemporary canon of American poetry. This exciting volume reflects not only the taste of the current editor but the predilections of the all-star list of poets who have contributed their time and intellect to make this series what is today a valuable, invaluable, supervaluable. *Beloit Poetry Journal* records of an ever-changing, always exciting art.

The Best American Poetry 2002 Robert Creeley, David Lehman, 2002 An anthology of contemporary poets presents works that reflect the diversity in American poetry. 2002 *The Best American Poetry 2008* Charles Wright, David Lehman, 2008-09-16 The Best American Poetry series is a beloved mainstay of American poetry. This year's edition was edited by one of the most admired and acclaimed poets of his generation, Charles Wright. Known for his meditative and beautiful observations of landscape, change, and time, Wright brings his particular sensibility to this year's anthology, which contains an ecumenical slant that is unprecedented for the series. He has gathered an astonishing selection of work that includes new poems by Carolyn Forché, Jorie Graham, Louise Glück, Frank Bidart, Frederick Seidel, Patti Smith, and Kevin Young, and showcases a dazzling array of rising stars like Joshua Beckman, Erica Dawson, and Alex Lemon. With captivating and revelatory notes from the poets on their works and sage and erudite introductory essays by Wright and series editor David Lehman, *The Best American Poetry 2008* will be read, discussed, debated, and prized for years to come.
