that range from city slickers and country hicks through midgets and old maids to Swedes and tattoos Part two MC Material Biz Jokes Routines and Skits is germane to the job of master of ceremonies routines and skits It features topics from fractured fairy tales to stuttering Part three an appendix Ed Lowry Laffter reproduces a privately published collection that is now a rare collector s item Although some of the jokes can undoubtedly be found in other places explains Levitt in his introduction I know of no source as rich as this one for the twenties and thirties a period so abundant in humor that for years afterward it fueled radio cinema and television
