Best Canadian Stories 1998:

Best Canadian Stories 1998 Douglas Glover, 1998-10-01 Canadian Books in Print. Author and Title Index , 1975

Telling Stories , 2021-11-15 The present volume is a highly comprehensive assessment of the postcolonial short story since the thirty six contributions cover most geographical areas concerned Another important feature is that it deals not only with exclusive practitioners of the genre Mansfield Munro but also with well known novelists Achebe Armah Atwood Carey Rushdie so that stimulating comparisons are suggested between shorter and longer works by the same authors In addition the volume is of interest for the study of aspects of orality dialect dance rhythms circularity and trickster figure for instance and of the more or less conflictual relationships between the individual character or implied author and the community Furthermore the marginalized status of women emerges as another major theme both as regards the past for white women settlers or the present for urbanized characters primarily in Africa and India The reader will also have the rare pleasure of discovering Janice Kulik Keefer s Fox her version of what she calls in her commentary displaced autobiography or creative non fiction Lastly an extensive bibliography on the postcolonial short story opens up further possibilities for research
