Best American Essays 1994:

The Best American Essays, 1994 Tracy Kidder, Robert Atwan, 1994 Compiles a selection of the best literary essays of the year 1993 which were originally published in American periodicals Includes essays by Ted Conover Andre Dubus III Stanley Elkin Louise Erdrich Ian Frazier Stephen Jay Gould James A McPherson Cynthia Ozick Paul Theroux and John Updike The Best American Essays, 1995 Jamaica Kincaid, Robert Atwan, 1995 Continuing the celebrated tradition The Best American Essays 1995 dazzles and surprises with its inventive colorful cornucopia of essays drawn from periodicals across the country Showcased here are the preeminent pieces from the Los Angeles Times The New Yorker Harper s Magazine and others written by some of today s finest prose stylists *The Best American Essays of the Century* Joyce Carol Oates, Robert Atwan, 2000 Fifty five unforgettable essays by the finest American writers of the twentieth century *The Best American Essays* ,2003 **The Best American Essays 2018** Hilton Als, Robert Atwan, 2018 Presents an anthology of the best literary essays published in the past year selected from American periodicals **Shouting Down the Silence** David C Dougherty, 2010-10-01 Shouting Down the Silence presents the first complete biography of Stanley Elkin a preeminent novelist who consistently won high marks from critics but whose complexities of style seemed destined to elude the popular acclaim he hoped to attain From the publication of his second novel A Bad Man in 1967 to his death in 1995 Elkin was tormented by the desire for both material and artistic success Elkin s novels were taught in colleges and universities his fiction received high praise from critics and reviewers two of his novels won National Book Critics Circle Awards and his short stories were widely anthologized and yet he was unable to achieve renown beyond the avant garde or to escape the stigma of being an academic writer He wanted to be Faulkner but he had trouble being Elkin Drawing on personal interviews and an intimate knowledge of Elkins s life and works David C Dougherty captures Elkin s early life as the son of a charismatic intimidating and remarkably successful Jewish immigrant from Russia as well as his later career at Washington University in St Louis A frequent participant at the annual Bread Loaf Writers conference he was the friend and sometime antagonist of other important writers particularly Saul Bellow William Gass Howard Nemerov and Robert Coover Despite failed attempts to bridge the gap from his academic post to wide popular success Elkin continued to write essays stories and novels that garnered unerring praise His was a classic dilemma of an intellectual aesthete loath to make use of the common devices of popular appeal The book details the ambition the success the friction and the foibles of a writer who won fame but not the fame he wanted **The American Essay in the American Century** Ned Stuckey-French, 2011-05-31 In modern culture the essay is often considered an old fashioned unoriginal form of literary styling The word essay brings to mind the uninspired five paragraph theme taught in schools around the country or the antiquated Edwardian meanderings of English gentlemen rattling on about art and old books These connotations exist despite the fact that Americans have been reading and enjoying personal essays in popular magazines for decades engaging with a multitude of ideas through this short form

means of expression To defend the essay that misunderstood staple of first year composition courses Ned Stuckey French has written *The American Essay in the American Century* This book uncovers the buried history of the American personal essay and reveals how it played a significant role in twentieth century cultural history In the early 1900s writers and critics debated the death of the essay claiming it was too traditional to survive the era s growing commercialism labeling it a bastion of British upper class conventions Yet in that period the essay blossomed into a cultural force as a new group of writers composed essays that responded to the concerns of America s expanding cosmopolitan readership These essays would spark the magazine revolution giving a fresh voice to the ascendant middle class of the young century With extensive research and a cultural context Stuckey French describes the many reasons essays grew in appeal and importance for Americans He also explores the rise of E B White considered by many the greatest American essayist of the first half of the twentieth century whose prowess was overshadowed by his success in other fields of writing White s work introduced a new voice creating an American essay that melded seriousness and political resolve with humor and self deprecation This book is one of the first to consider and reflect on the contributions of E B White to the personal essay tradition and American culture more generally *The American Essay in the American Century* is a compelling highly readable book that illuminates the history of a secretly beloved literary genre A work that will appeal to fiction readers scholars and students alike this book offers fundamental insight into modern American literary history and the intersections of literature culture and class through the personal essay This thoroughly researched volume dismisses once and for all the death of the essay proving that the essay will remain relevant for a very long time to come

The Best American Essays Robert Atwan, 2001 Compiles the best literary essays of the year 2000 which were originally published in American periodicals

Minding the Light Anne French Dalke, 2004 This book presents a series of thoughtful and revealing reflections excerpts from the inner and outer lives of college teachers from which emerges a common concern for the interactive and spiritual dimensions of the educational process and a rich sense of the light which can and should illuminate it Informed either by personal commitment to Quakerism or by individual work within Quaker institutions the contributors offer perspectives that are important for teachers parents and readers generally interested in the classroom experience as a process of growth and exploration *Minding the Light* provides an inspiring outline of friendly pedagogy which deeply respects individual uniqueness while awakening learners to their active involvements with larger communities
