The child on the left is wearing a dark vest over a white long-sleeved shirt, and the child on the right is wearing a green dress over a white long-sleeved shirt. The background shows a line of trees under a clear blue sky.

proverb scholarship illustrating that proverbs have always been and continue to be wisdom's international currency. Picking up where *Behold the Proverbs of a People* left off, this new book brings traditional proverbs into the modern era, analyzing proverbs under four headings: American proverbs, proverbs in politics, proverbs in literature, and proverbs in culture. Within these sections, a wide array of proverbs and the topics they express are addressed and shown to still be relevant to the political and cultural landscape of today. *Worth a Thousand Words* discusses the global spread of American proverbs and the reliance of proverbs in politics and everyday life in America and internationally. It also examines proverbs in literature, such as *Don Quixote* and *Destined to Witness*, as well as proverbs in fairy tales. Proving the pen is mightier than the sword, Mieder's book demonstrates the ubiquity of proverbs. By recognizing and documenting the proverbial linguistic patterns of our culture, people, and systems, Mieder shows us how creative language serves as the guideposts for a free and idealistic world for ages past and ages to come.

*A Journey* Wilfrid Amis, 2024-09-23 On this pleasant day in 1947, my dad and my mom were wed. My mom was born during the last week of August 1922, and my dad during the first week of October 1914. They met a few weeks before my dad attended the piano recital where my mom, at the age of 18 years old, played the Blue Danube.
