we can have confident faith in what happened on the cross      *The Oxbridge Evangelist* Michael J. Gehring, 2017-02-28 In *The Oxbridge Evangelist Motivations Practices and Legacy of C S Lewis* Michael Gehring examines the evangelistic practices of one of the most significant lay evangelists of the twentieth century In the early 1930s not many who knew Lewis would have guessed that he would become such a significant evangelist He has left an evangelistic legacy that has influenced millions across the world Yet Lewis scholarship has not given sufficient attention to this crucial aspect of his legacy This work examines Lewis's loss and recovery of faith and it shows how his experience heightened his own awareness of the loss of the Christian faith in England Because of his ability to identify with others Lewis engaged in the work of evangelism with uncanny skill This work required singular courage on his part it cost him dearly professionally and in his relationships Gehring critically explores Lewis's motivations practices and legacy of evangelism In doing so he provides penetrating insight for those interested in the theory and practice of evangelism in a culture that too readily leaves it to the crazies of the Christian tradition or relegates it to the margins of church life      **Biography on C.S. Lewis** The Hyperink Team, 2012-02-29 ABOUT THE BOOK World famous author C S Lewis is best known for his numerous literary masterpieces and his role as a Christian apologist Lewis's career has touched people's lives and attracted criticism in equal parts From the stances he takes in his novellas to his approach to interpreting the Bible much of Lewis's fame has come as a result of ruffling feathers with his incredible talent Anyone who reads will have heard of Lewis's most famous novels *The Chronicles of Narnia* The series of seven fantasy books is what earned Lewis his reputation as a talented author However critics have accused Lewis of conforming to gender and racial stereotypes in the series Despite these controversies some of the novels have made into successful films Aside from writing novels that appeal to children Lewis also wrote a series of rather dark poems As a far cry from his books that featured plucky heroes and heroines Lewis's poems focused on morality and death In *After Prayers Lie Cold* which opens with *Arise my body my small body we have striven* Lewis addresses death and nature EXCERPT FROM THE BOOK Lewis may be best known for *The Chronicles of Narnia* but he also gained fame through publishing other fictional masterpieces *The Space Trilogy* steps away from Lewis's usual themes of myths and magic and instead focuses on what life may be like on other planets The series begins with *Out of the Silent Planet* which is set on Mars The main character Elwin discovers that Earth has been banished by all of the other planets and exists in solitude within the solar system This was then followed by *Perelandra* which is primarily set on Venus where humans have just begun to live Finally the series ends with *The Hideous Strength* a book that features a battle against demons who want to lay waste to Earth Throughout the books the old solar system and cosmology are featured as well as secret languages Lewis's *Mere Christianity* is a series of radio interviews that Lewis gave on Christianity that were published as transcripts In this book Lewis attempts to argue for Christian morals At the time of the interviews Europe was battling against Hitler and Nazism and Lewis used Hitler as a point of reference for what the majority of humans would perceive to be morally wrong The book also tackles the rather

controversial topic of how Jesus is depicted in the Bible Lewis made notes of parts of the Bible where Jesus would apparently claim to be God and tried to encourage Christians to question why he did this By invoking heated debates on how Jesus Christ saw himself Lewis attracted criticism from staunch religious theists Finally Lewis s arguments for Christianity placed a certain degree of focus on how Christians should lead their lives including their approach to marriage sex and sins such as pride Buy a copy to keep reading
