The Secrets of Humankind by Divine Design, the Gateway to Mindfulness and Self-awareness (Spiritual warfare series book 2) Eleazar Ben Michael, 2022-03-06 Many have been puzzled for centuries at the biological creature that science calls homo sapiens humankind Most people often question what constitutes man's true spiritual nature which is invisible to our sense of sight There is the quest to know what constitutes the mind consciousness the soul and the essence of our spirit soul personality Many still believe that there may be no definitive answers which will provide the necessary satisfaction about this incorporeal essence of the soul and life of humanity But how come God made humans the most advanced biological rational beings on the earth plane Our modern sciences have tried to resolve this great mystery and they have only successfully unveiled the mortal body the outer self but yet to understand the inner spiritual nature The psalmist David wrote many centuries ago asking the same significant question that has plagued humanity throughout time As King David reflected upon this unique being humanity he asked this central question What is man humankind that you are mindful of him and the son of man that you cared for him Yet you have made him a little lower than the heavenly beings and crowned him with glory and honour Psalm 8:4-5 ESV How is he a spiritual being imprisoned in flesh and bones with skin on the outside How does his soul consciousness work in harmony with his body and mind You may be asking if we are a soul as an entity or as a material object that we could carry around How does man's inner spiritual body help him to relate to the material universe This book is the second book in the soul trilogy series and it is a must read resource on the subject of spirituality mindfulness and the nature of the inner human spirit Soul It hopes to guide readers to discover the mystery of the inner self and its relationship to the spirit world
